# ACTIVITIES

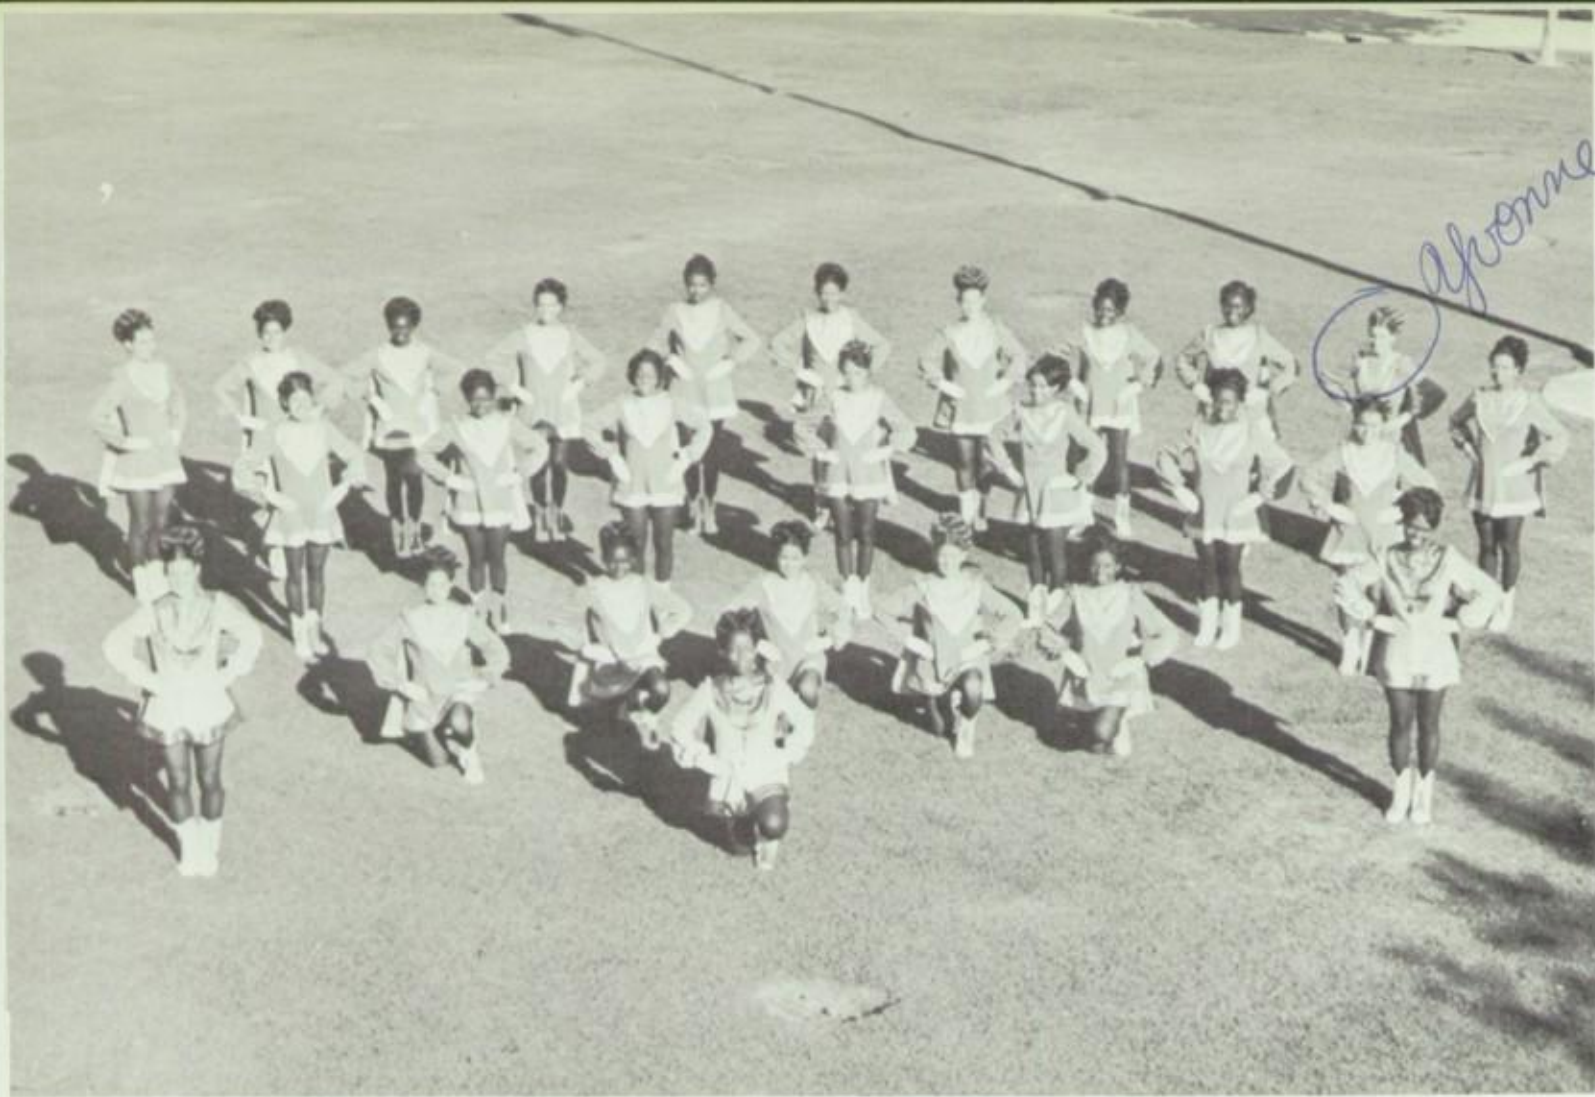

75-76 Band and Drill Team

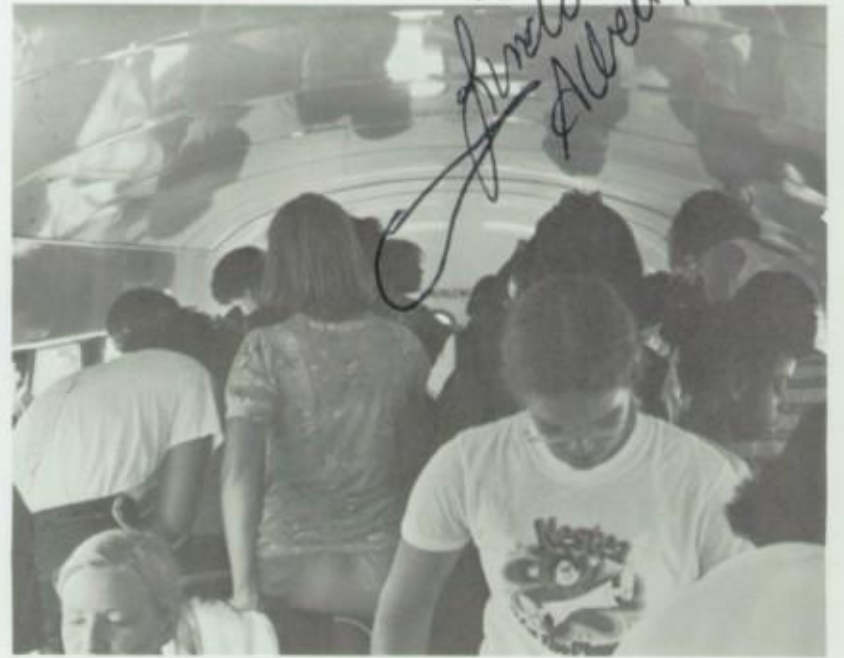

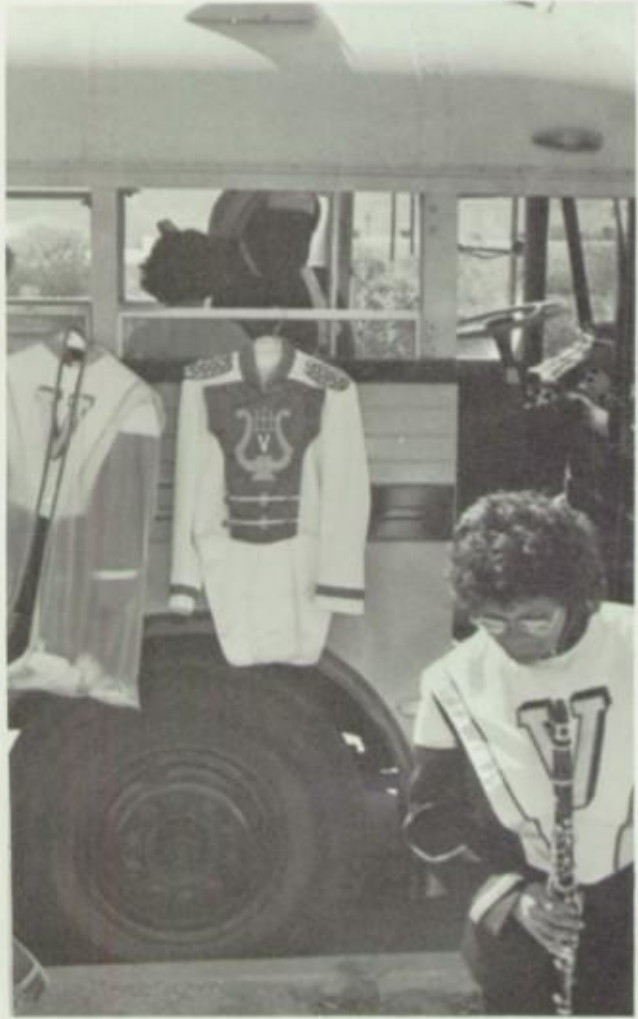

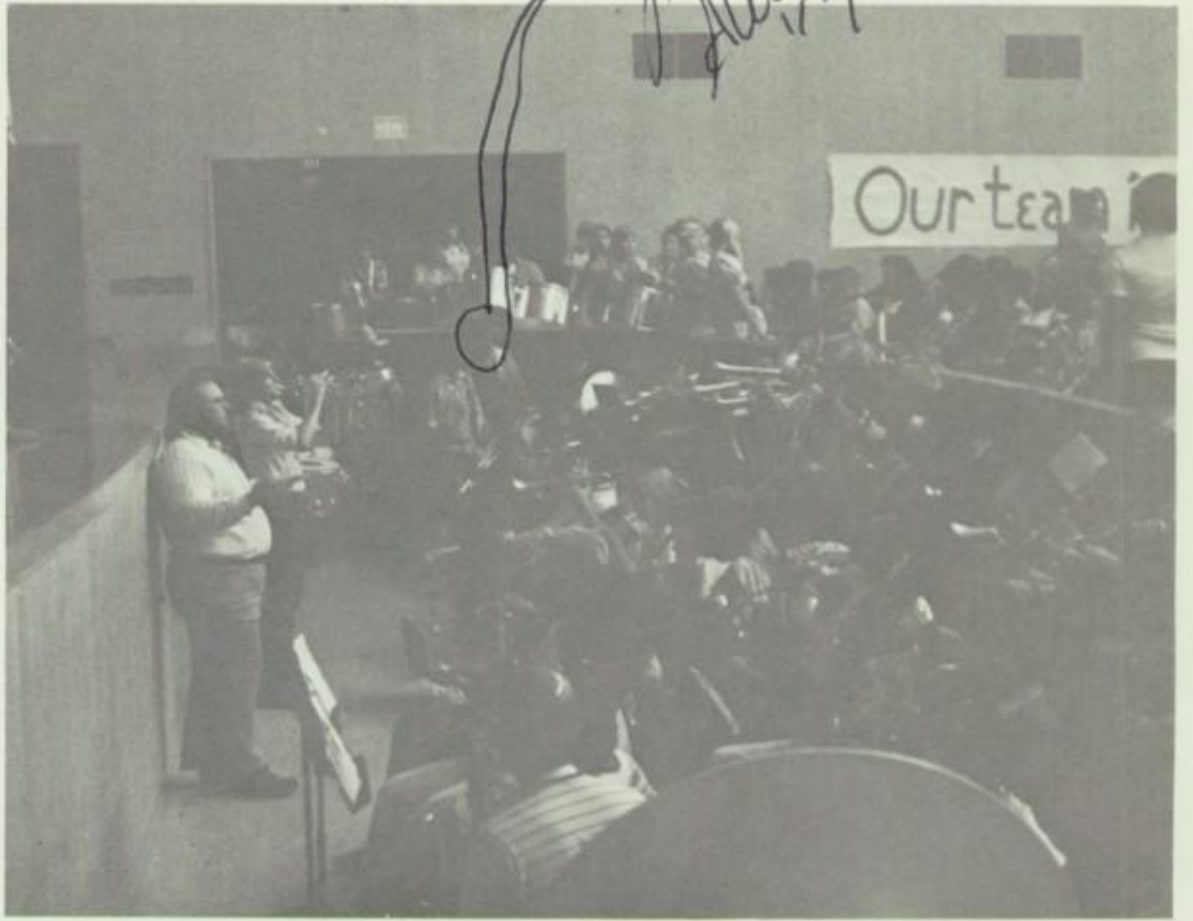

# Championship Band Captured Many Awards and Trophies

# Boys' and Girls' State Representatives

Seniors Jon Walke and Pam Gnesda, this year's Boy-Girl Representatives, were sent to Sacramento to obtain a better understanding of how the state and local governments worked to help bring about a better student government at Valley.

After being recommended by all their teachers, they were interviewed by the social science teachers. They were chosen to represent Valley on the basis of their answers to the questions put to them, on their academic ability, and because they were serious about their interest in Valley.

## Bank of America Award Winners

Each year the Bank of America honors the four top students of the Senior class. The awards are based on academic achievement, school activities, and teacher recommendations.

The Talon congratulates the four winners for 1976.

1. Wade Woodridge  
Math and Science
2. Wanda Durand  
Fine Arts
3. Bob Houghton  
Liberal Arts
4. Sherri Howerton  
Vocational Arts

## BOYS AND GIRLS OF THE MONTH

Each of the boys of the month were chosen by the Rotary Club of Santa Ana, and the girls were chosen by Valley's Girls' League.

Based on their accomplishments, they were selected to represent Valley.

1. November - Sherri Howerton and John Robertson
2. February - Rachel Ramirez and Steve Morales
3. December - Carrie Davis and Tiny Lynch
4. May - Donna Conerly and Steve Slaughter

- 5. January - Jose Rivas and Issa Lopez
- 6. April - Mike Watson and Ginny Chairez
- 7. March - Fred Morales (NOT SHOWN) and Aneatra Jones
- 8. October - Brian Tong and Nancy Melendez

There were 53 official members and 27 associate members of Valley's CSF, California Scholarship Federation, this year. CSF is an honor organization for students who maintain 10 CSF points. These points are given for high grades. Mostly "A" students, many of these members attended a special CSF night at Disneyland honoring CSF groups all over California. Mrs. Beverly Hill was the advisor for CSF.

First semester officers were President-Bob Houghton, Vice Pres.-Wanda Durand, Secretary-Bertha Valenzuela, and Treasurer-Mary Hermann. Second semester officers were Pres.-Wanda Durand, Vice-Pres. Gilbert Segovia, Sec.-Mary Herman, and Treas.-Greg Hummel.

The members were: Seniors-Larry Bernard, Debbie Brannon, Debbie Chambers, Kathleen Crooks, Carrie Davis, Wanda Durand, Ramon Estrada, Gene Fernando, Mark Ferrel, Pam Gnesda, Jody Gunter, Elaine Hardcastle, Cindy Holston, Bob Houghton, Ralph Lorenz, Eric Ringer, John Robertson, Brenda Ward, Wade Wooldridge. Juniors-Ignacio, Acosta, Lana Bussie, Lynne Bussie, Cathy Camp, Alan Corey, Sue De Groot, James Dibase, Mark Fidduccia, Charles Gnesda, Mary Hermann, Stan Higa, Gordon Hummel, Greg Hummel, Ruth Johnson, Pat Mickles, Terry Wright. Sophomores-Ann Bos Cheryl Crawford, Joseph Edward, Jean Fatzinger, Steve Frieson, Steve Guillory, Gwen Kearney, Erich Kukier, Jim Park, Magda Prumeda, Carol Redding, Cristina Sanchez, Cindy Stache, Steven Wells.

### SEALBEARERS

The highest academic honor the school can give is to name a student as Sealbearer. To be a sealbearer, student must have been in CSF four semesters, one of which must have been in the senior year.

The sealbearers were: Larry Bernard, Debbie Brannon, Carrie Davis, Wanda Durand, Jody Gunter, Cindy Holston, Bob Houghton, Ralph Lorenz, John Robertson and Wade Wooldridge.

# Durand Was D.A.R. Choice.

Wanda Durand was chosen as Valley's Daughters of the American Revolution Award Winner. She was selected on the basis of good citizenship, her accomplishments in and out of school, and her personality.

An active member of CSF, Wanda was also a Sealbearer and President of Art Club.

She was an excellent example of a good citizen and a model student.

## O.C.A.D. Contestants Represented Valley

Chosen on teachers' recommendation, six students were selected to represent Valley at the Orange County Academic Decathlon held at Costa Mesa High School in the fall.

They competed against students from Orange County High Schools in academic areas like mathematics, science, and English.

Two speeches were given by each student; one was prepared before the Decathlon, and the other was an extemporaneous speech.

Besides competing in given subjects, they were also required to demonstrate their general knowledge.

Bob Houghton won first place in his class for his excellent essay.

Other contestants were: Carrie Davis, Ray Dimas, Robin Concan, James Dibase, Aneatra Jones.

To Cheri,  
It's a good  
thing I met you  
of someone I would have married  
you. and I hope you is some of  
my other classes next year also. Take  
care and have fun in the summer of '76.

# SPORTS

Valley's 1975-76 Football team had a rather difficult act to follow. How can you improve on a C.I.F. Champion?

Ron Roper

What can you do to make the spectators gape in even greater awe? A lot of people were asking themselves that question, probably dreaming of a repeat performance. The dreams were not to be lived out, for

Ben Haley, Jr.

Walley's team didn't win another title; but then you sure can't say that they disappointed anybody.

Ed Steward

## The Coaches Led Them to Victory

Dick Hill

It was a unique season that showed us a few close games, but a few not so close. There was less dependence on individual efforts and more on teamwork.

Many young sophomores and juniors were moved up to replace graduated veterans. If anybody questioned their ability, these youngsters didn't take long to prove it. The "kids", with a few veteran seniors playing here and there, rolled up another impressive season record winning eleven contests and recording one lone defeat at the hands of revenge-minded Colton.

The team was always full of spirit. This was partly because the Falcon team was always followed by a tremendous crowd wherever they went.

There were times at away games when the Falcon fans outnumbered the home team fans, showing both their pride and spirit for their team and school.

Ben Haley

Through the guidance of an experienced coaching staff led by Head Coach, Dick Hill, the team's

Ron Ford

weakness transformed into strengths. They brought the team closer in spirit so that they worked as a team instead of as individuals. This made a championship team.

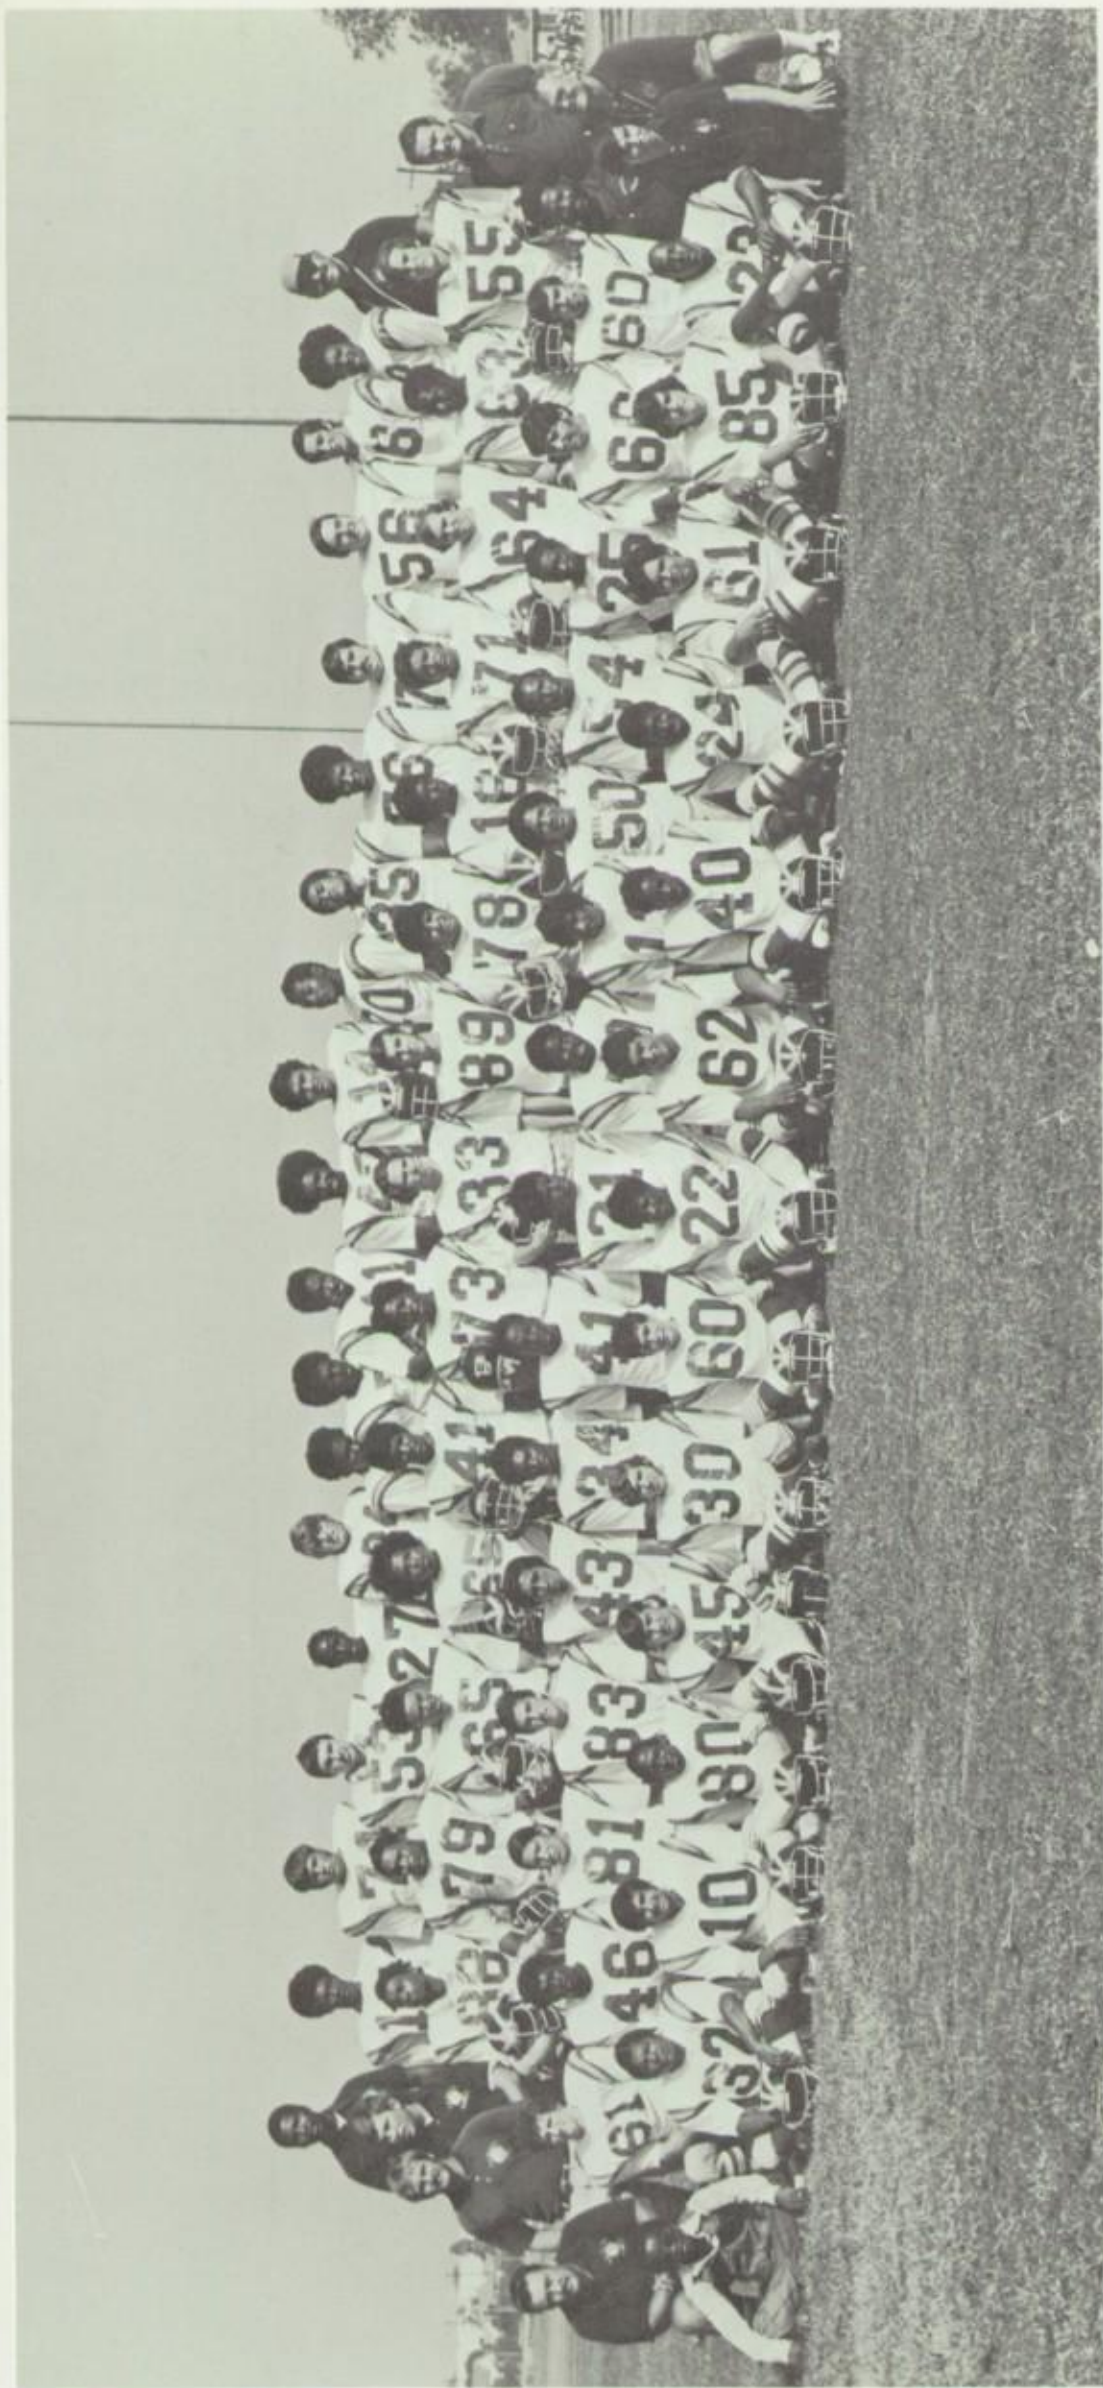

Tiny Lynch, Fred Morales, and Mike Tesmalie, three returning veterans, were chosen by their teammates to represent them as Tri-Captains.

This year marked the fourth year in a league championship. The win-loss record during those last four years is an impressive 39-5-2.

Tom Meiss

# Victory Was Never Easy

Even with many inexperienced runners making up the 1975-76 Cross-Country team, Jim Conlay's joggers proved to be the best ever at Valley. Even though they finished far from a league championship, their composite times were better than any team that ever ran at Valley. Their crux was being thrown into the Freeway League, considered the strongest cross-country league in Orange County.

Returning lettermen, Eric Ringer and Ramon Estrada, were bestowed the responsible positions of Co-Captains. They were team leaders to whom individuals could go for advice and information.

# Field Hockey

The Varsity Field Hockey Team did well this year finishing the season in third place out of ten teams. The competition was tough, but Valley almost did it this year. They came close to a chance for the CIF Field Hockey playoffs.

Sandy Ruller coached the varsity and Miss Ann Perales coached the junior varsity. The teams chose their captains, Varsity captain was Yogi Cabrera, co-captain was Cindy Ebert, Junior varsity captain was Anna Bracamontes and Esther Tabile was co-captain.

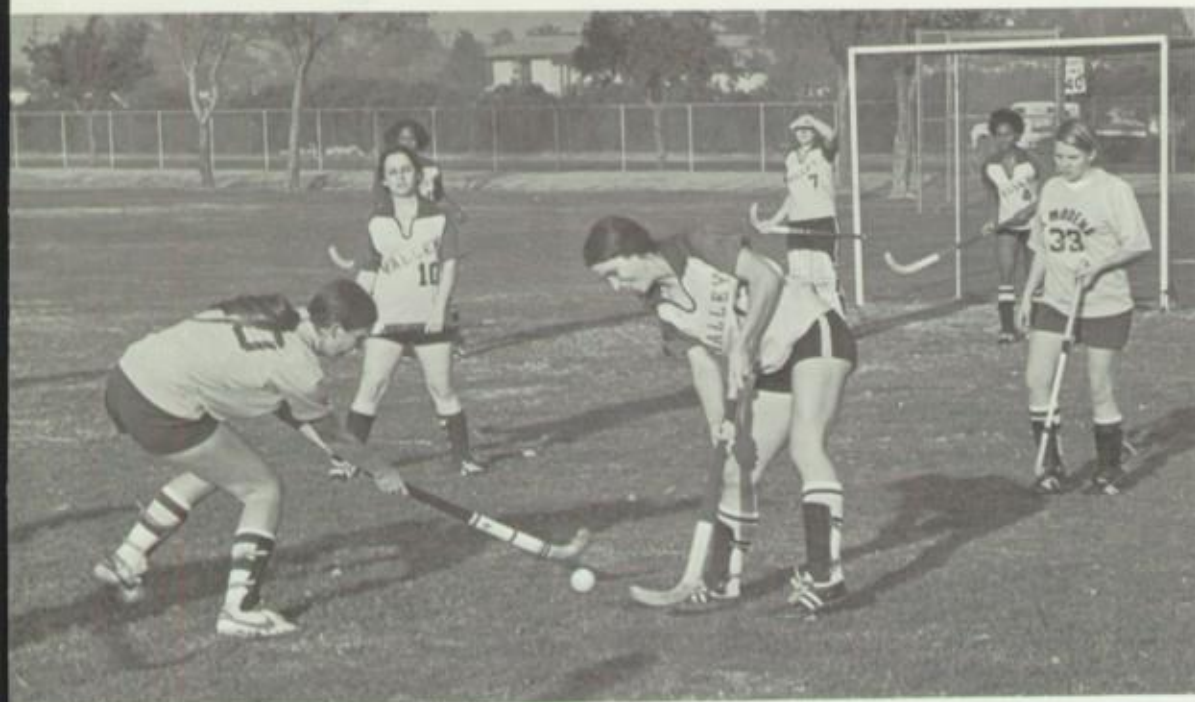

The junior varsity was comprised mostly of girls new to the game of hockey. With just a few veterans, the junior varsity placed second in the league.

The girls practiced very hard to complete their two game a week schedule. They are to be commended for a good season.

Leading the hockiers through the season was Most Valuable Player, Cindy Ebert.

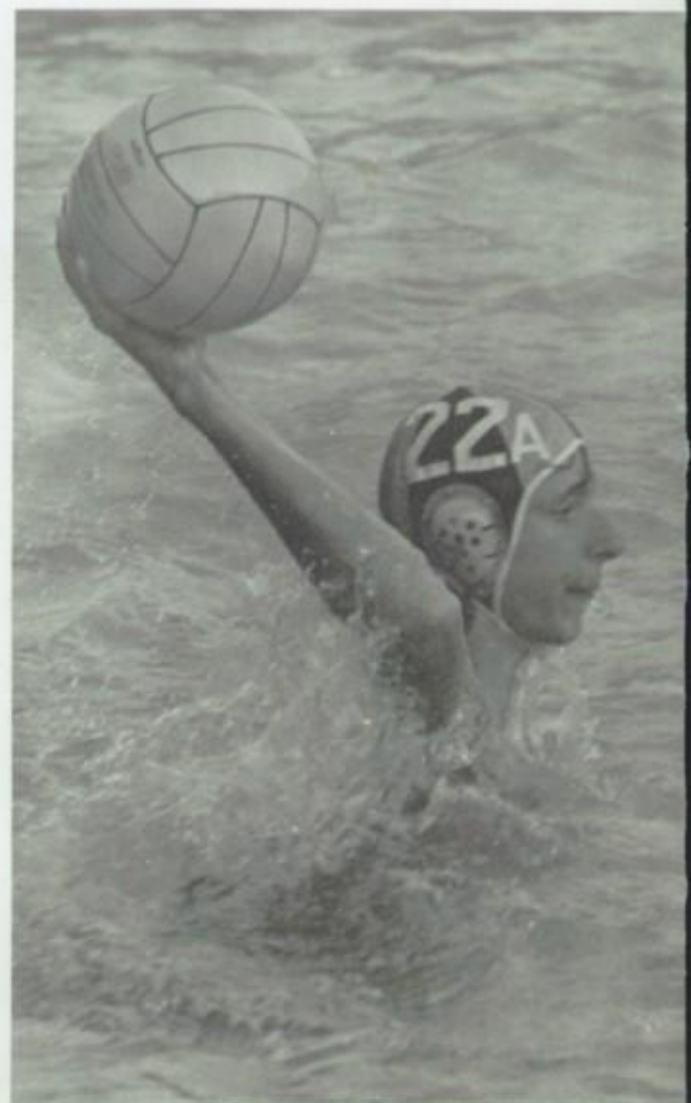

Varsity team members were Kim Barnes, Judy Beranek, Karen Bryant, Gina Campbell, Robin Concan, Nancy Downey, Jackie Ferguson, Sandy Garrett, Glenda Glenn, Marti Reyes, Yvette Shipp, Anita Taylor, Kaynette Templeton, Mary Wojtanowski, Lydia Young, Capt. Yogie Cabrera, Co-Capt. Cindy Ebert. J.V. team members were Mary Brooks, Rosalinda Buendia, Susan Dalbey, Janice Edwards, Joanne Espinoza, Cheryl Gant, Keretia Harper, Sheila Harris, Jeanette Liebig, Donna MacKenzie, Jan Martinez, Nancy Melendez, Avis Phillips, Partina Poston, Anna Ramirez, Rachel Ramirez, Penni Saugstad, Debra Schwermer, Pat Shaw, Colleen Wall, Laurie Wing, Yvette Winters, Capt. Anna Bracamontes, Co-Capt. Ester Tabile.

Coach, Paul Herron

Competing in the tough Freeway League, Coach Paul Herron led the Falcons to a surprising 4th place finish. For the first time, the poloists ended without a losing season, compiling a 7-7 win-loss record.

Behind the excellent shooting of Steve Slaughter, Greg Hummel, and Gil Segovia, the Falcons scored many game winning goals. Bob Houghton, Perry Wilson, Terry Wright, and Rich Sparacio held down opponents on defense.

The starters were backed up by Siegi Kukier, Gordon Hummel, and Neil Groom.

The team was led by Most Valuable Steve Slaughter, who also won Falcon of the Year. Greg Hummel was awarded Captain and Terry Wright was Most Improved. Gilbert Segovia was named Most Inspirational.

Graduating seniors were Steve Slaughter, Bob Houghton, Perry Wilson, and Siegi Kukier.

In major upsets against Fullerton and Lowell, Steve Slaughter was outstanding. He received Honorable Mention on the All League team.

# Gymnastics

The gymnastic team enjoyed an improvement of 100% over last year. With the help from Mrs. Sandra Rhone and her assistant Mrs. Jean Davis, the team experienced a triumphant season. These athletes competed in both compulsory, a required routine, and optional routines. In competition they proved to the spectators and themselves that nothing was impossible.

Although gymnastics is a fairly new sport at Valley, the team members worked diligently to promote its popularity. With the world wide interest in gymnastics, this sport should grow each year.

## VARSITY TEAM

21 Campbell, Tony  
 22 Morales, Steve  
 23 Torres, Greg  
 31 Thompson, Randy  
 32 Cornelius, Ron  
 33 Satterfield, Kevin  
 34 Goshay, Keith  
 41 Rhue, Mike  
 44 Dexter, William  
 45 Morales, Fred  
 35 Rea, Joel

The 1975-76 basketball team was known as a fighting team. They worked hard to win games. When they did lose, it was by a scoring gap of 5 points or less. They finished the season with a 4-10 record.

Varsity coach Roger Jensen was assisted by coach Falconer. Steve Morales acted as captain of this closely knit team.

# Tomorrow's Varsity

# Wrestling

The 1975-76 Falcon wrestling team over came many obstacles this season. Injuries and other problems were ever present. The Valley matmen, however, led by Coach Ron Roper, gained much experience through the tough season.

Varsity wrestlers, Mark Mercer, Pat Malloy, Gerado Valenzuela, Mark Slaughter, and Robert Castro, through hard work and long practices, made their way to compete in first round C.I.F.

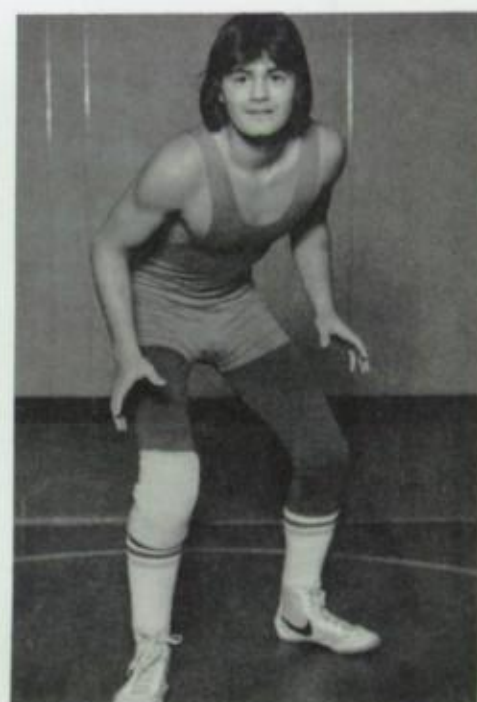

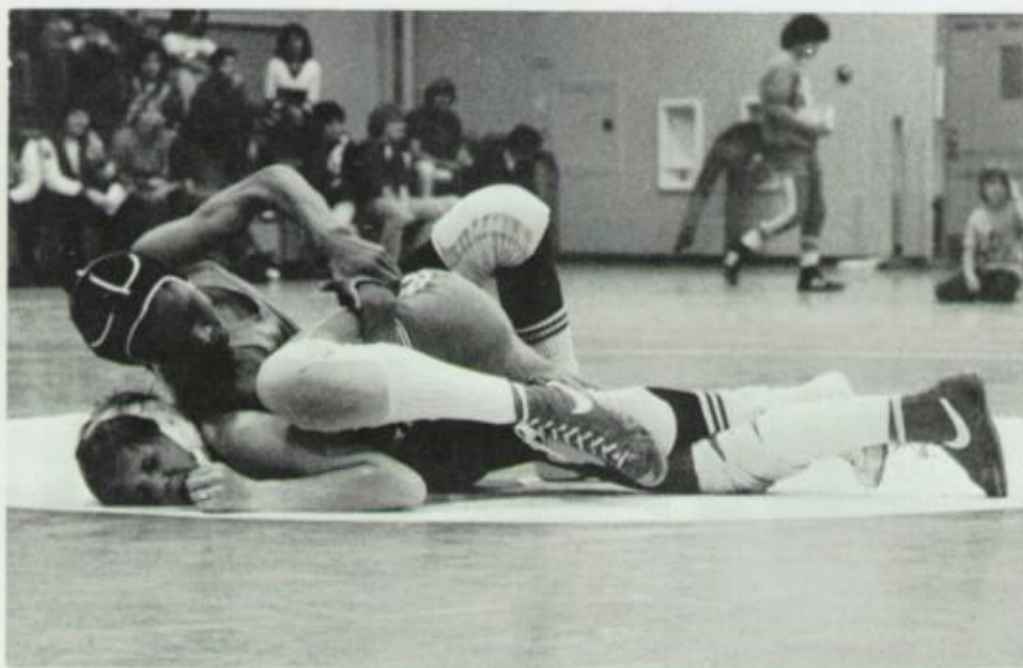

Junior varsity and frosh-soph teams were mostly young and inexperienced, but they became much stronger as the season progressed.

Starting with the city tournament in December, the team showed not only its first signs of talent but also its many problems. Quickly overcoming its main handicaps the grapplers started to win instead of lose.

The Falcons ended its season against Lowell and, from there, went on to League placements and C.I.F.

Taking League championships in their divisions were 98 lb. junior Mark Mercer and 106 lb. junior, Pat Malloy.

Taking second in the 122 lb. class was senior Gerado Valenzuela. Also in the finals were sophomore Mark Slaughter and junior Robert Castro in 136 lb. and 178 lb. classes.

# Soccer: Empire League Champs

The mighty Falcon '75-'76 soccer team may have been under a lot of pressure, being one of the youngest teams around, but Coach Adnan Bayati's fielders proved that youth didn't matter as they stomped every team in the Empire Soccer League and worked their way to CIF play-offs.

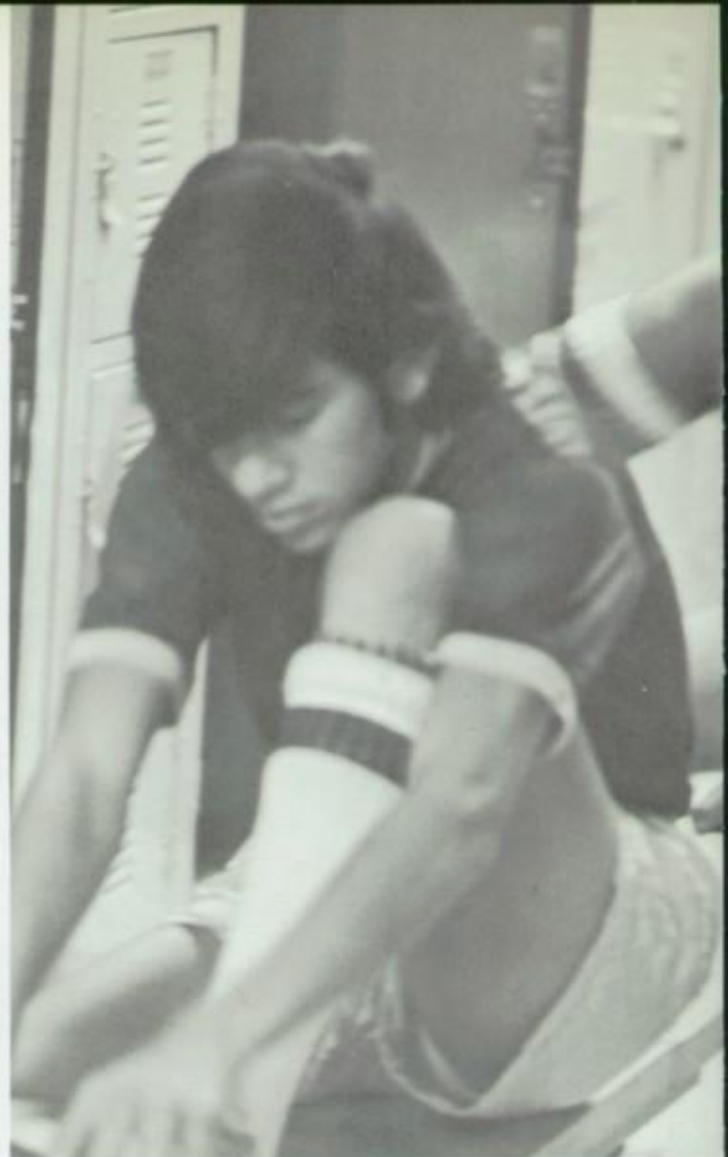

Although the team was knocked out of playoffs in the third round, the feeling of victory still lingered because of the outstanding wins over such soccer schools as Damien, Newport, Harbor, and Palos Verdes High School.

The team was led by outstanding halfbacks: Tony Valdepena, Isidro Perez, and Salvador Sanchez. On the defensive line the players knew their parts and, along with goalkeeper, Silvano Munoz, they kept back the goals. Defensive players included Luis Rivas, Miguel Macias, and Luis Lopez.

Another important and successful section of the team were the forwards: Juan Arturo Martinez, Ignacio Perez, and Raul Villasenor.

Although the team ended with an outstanding record of 16-1-1, they should be looking forward to a bigger season next year for the team is graduating only two seniors, Salvador Sanchez and Silvano Munoz.

The junior varsity also shared in the glory of winning the league championship as they took the title in the JV division. The team, under Coach Lewis Bratcher, ended their season with an outstanding score of 9-1. The JV's consisted mainly of freshmen but, according to Coach Bratcher, "They're very strong and could play against any varsity team of any other school."

# Track

Football seems to get most of the ink from the local papers, but the most successful sports engaged in at Valley is track, even though few people seem to know it.

Coming into season, Valley hasn't lost a league meet since 1971, producing an incredible string of 33 straight victories. The impressive array of statistics doesn't end there though. Valley's overall win-loss record since the opening season in 1959 is an almost unbelievable 90-10. Few, if any schools can boast such an outstanding achievement.

Sprinter Mike Rhue returned to defend his league title in the 100 yard dash. Shotputters Mike Watson and Mike Tesimale provided trouble for opposing weightmen; and Ramon Estrada, Steve Aguilar, and Edgardo Salera led the distance runners.

Jim Conlay, now in his third year, has yet to lose a league meet. The efforts of him and his assistants make such records possible.

BACK ROW L-R: M. Rafferty, C. Manning, K. Hoffman, M. Watson, M. Tesimale, J. Darling, G. Torres, B. Dexter, T. Franklin, B. DeKine, T. Berraza, M. Easley, M. Johnson. MIDDLE ROW L-R: M. Carmona, D. Brokaw, C. Kinnel, R. Estrada, E. Heyer, D. Vasques, B. Yost, R. Powell, E. Ringer, D. Thames, E. Grace. FRONT ROW L-R: J. Kerr, W. Wesley, A. Corey, S. Aguilar, I. Acosta, C. Clark, E. Salera, T. Pitts, J. Ortega, L. Chatman, M. Rhue

Clockwise from the skinny guy:

starting to cry.*

BACK ROW L-R: R. Johnson, J. Jenkins, D. White, A. Nelson, S. Hammon, M. Howard, C. Meza, L. Harris, M. Fitzpatrick. FRONT ROW L-R: R. Neal, T. Rivers, S. Gaither, I. Suana, D. Corona, T. Russell, T. Humphrey, A. Liufau

Girls' track looked forward to another successful season as the league champs after finishing undefeated last year.

The team consisted of basically the same members as last year. This year there were only four seniors members. Due to this fact the team was considered young and inexperienced.

The team looked forward to breaking many of their old school records and setting many new league records. The team was stronger this year with the girls running faster, jumping higher and longer, and putting farther.

The team was coached by Mrs. Janis Riehle and Miss Sally Speer.

The Girls' Track Team consisted of:

J. Beranek	T. Jones
C. Bonds	M. Keindl
M. Bonds	K. Law
S. Carter	L. Lupardo
D. Denson	C. Mack
M. Durand	N. Melendez
L. Favors	P. Peralta
V. Hardeman	S. Salisbury
V. Hauptman	M. Silbas
M. Hermann	J. Steen
J. Ibach	P. Finn
C. Jacobs	

TO THE LEFT are the four girls who represented Valley High School, Santa Ana, and Orange County in the L.A. Times Indoor Invitational Track and Field Meet. These four girls are Kim Law, Michelle Bonds, Linda Favors and Denise Denson.

# Girls' Softball

# "What a season in '76!"

## Miss Chacon, Coach

The young and inexperienced softball teams looked forward to a successful season this year. The teams consisted mostly of underclassmen with only one senior.

Pitching for both the Varsity and J.V. looked strong this year. The hitting started to come through and Valley's team looked good all around.

Varsity team was coached by Miss Anita Chacon with Miss Linda Brooks coaching J.V., Manager for the team was Brenda Russell and assisting her, Carrie Dimas. Their job was to take care of the equipment hand out and collect uniforms, and keep score of the games.

# Baseball

Varsity: John Camp, Tony Campbell, Charles Chatman, Rick Coulter, Richard Dalbey, David Everett, Mike Everett, Mark Ferguson, Mark Fiduccia, Floyd Glenn, Charles Gnesda, Tim Griffin, Buddy Reeves, Ron Saunders, Jim Volz, Rick Ward, Reggie West . . . Coaches Herschel Musick, Ken Tucker.

The 1976 Varsity Baseball team looked forward to a successful season this year. The team was young and probably considered inexperienced due to the fact that there were only three returning lettermen. On the other hand, the rest of the team consisted mostly of players from last year's Soph-Frosh team that was the Freeway League Champion losing only one league game.

The head coach of varsity was Herschel Musick. His assistant coach was Ken Tucker. Mike Everett was chosen by his team-mates to be their captain this year.

The pitching looked good. The bats started connecting with the ball for hits. The team hoped for a healthy season with no injuries and for a chance as Freeway League Champs of 1976.

"It was a total team effort."

Mike Everett, Captain

# Tri-Meet Champs

After having completed a successful water polo season, most of the aquatic athletes returned for swimming.

The 1976 Falcons dominated their early competition and easily won the city championship in a tri-meet.

## Swimming

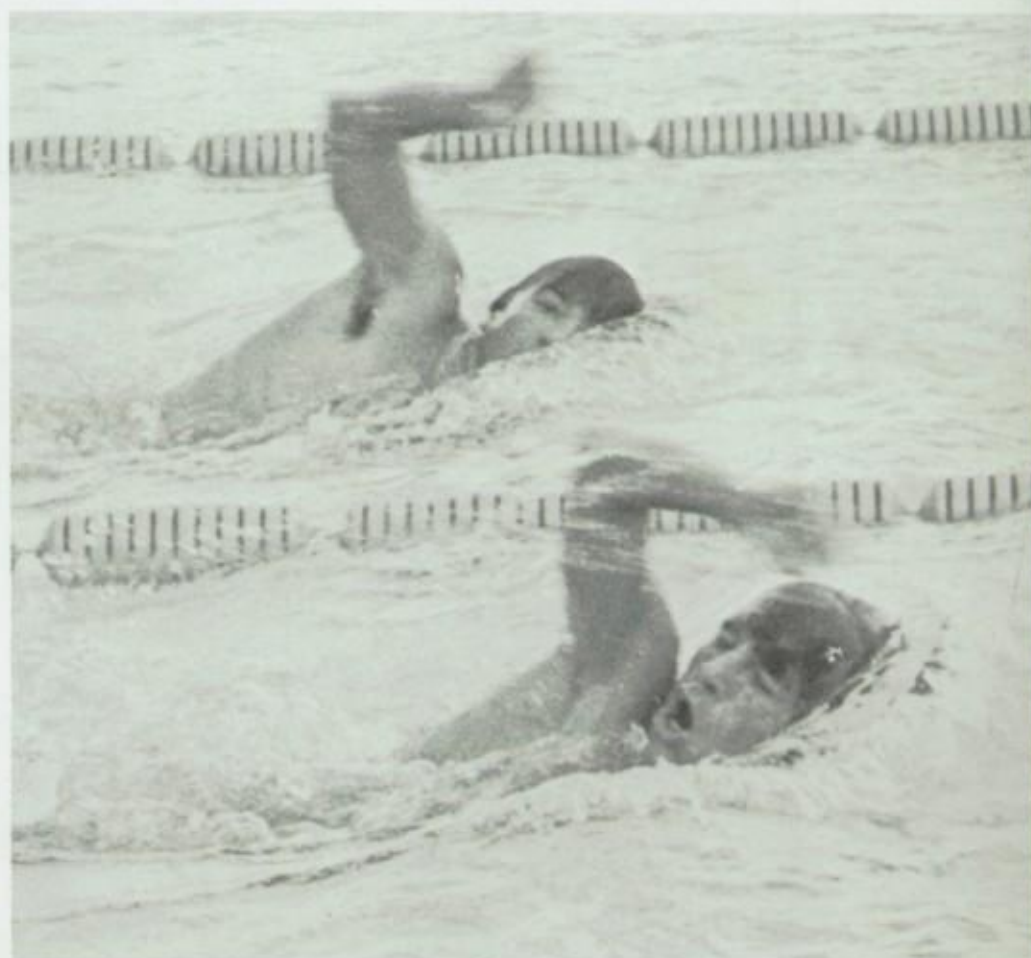

As they progressed into league competition, the swimmers found it difficult to swim away from their opponents, and lost some close contests. The team suffered from a lack of experienced swimmers, with only one senior, Steve Slaughter, returning.

Despite this lack, the upstart Falcons team, which consisted of juniors and sophomores, surprised many overpowering teams.

Most surprising were the varsity relays which almost went undefeated through the season. In the 200 yard medley relay, Gene Linxwieler, Greg Hummel, Neil Groom, and Terry Wright sliced through the water to many victories. The 400 yard freestyle relay, consisting of Steve Slaughter, John Contreras, Gilbert Segovia, and Gene Linxwieler, closed many meets with a victory.

One of the best efforts of the year was made by Steve Slaughter as he broke the 100 yard butterfly record set by James Adame in 1973 and lowered the mark to 1:01.9, in his first attempt at the record.

Another outstanding swimmer, Greg Hummel, teeter-tottered with the 50 yard freestyle record all year. It was a great year for aquatics.

ORGANIZATIONS

# Backpacking Club

Advisor Roger Jenson, and the Back-packing Club explored different areas of Southern California through their trips to the mountains. Their adventures included a trip to Fish Creek in the San Gorgonio Mountains. The club's main goal was to show students how to enjoy and respect the splendor of nature.

# Photo Club

Led by President Dale Prince, this year's Photo Club took its first trip to the San Gabriel Mountains. The sole purpose of the club this year was to capture the beauty of both still life and imagination with the camera.

# Falcon Staff

The Falcon staff worked diligently to find all the news on campus and publish it for the students and staff.

Putting out sixteen bi-weekly issues often caused traumatic problems, but it was always satisfying to see the finished product.

Shown dressed for any occasion are, L. TO R., Tom Reece, Janet Mulcahy, Jan Smelser, fourth page editor, Aneatra Jones, editor-in-chief first semester, Carrie Jones, business manager and editor-in-chief second semester, Robin Concan: SECOND ROW, Bob Houghton, V. J. Lavero, photographer, Joseph Edwards, third page editor, Dale Prince: ABSENT, Gary Bradshaw.

The staff was advised by Mrs. Elaine Stuckey.

Under the able leadership of Nancy Melendez, president, Girls' League continued its goal to build rapport among all girls on campus. Money raising projects included candy cane sales, mum sales, and carnation sales on Valentine's Day. The profits were used for scholarships and for the annual children's Easter Egg hunt for the Diamond Elementary School children. They also honored ten young women by choosing them as girls of the month. Mrs. Vivian Randall and Mrs. Carla Rush acted as advisors.

# Forensics

The Forensics Team began the year with a new coach, Mr. Bob Glassman. After they got organized, they entered novice, varsity, and invitational tournaments. James DiBase took honors in the Bicentennial contests.

Cheri,  
It's been nice having  
you in my english class  
see you next year.

*Tom Cordell*

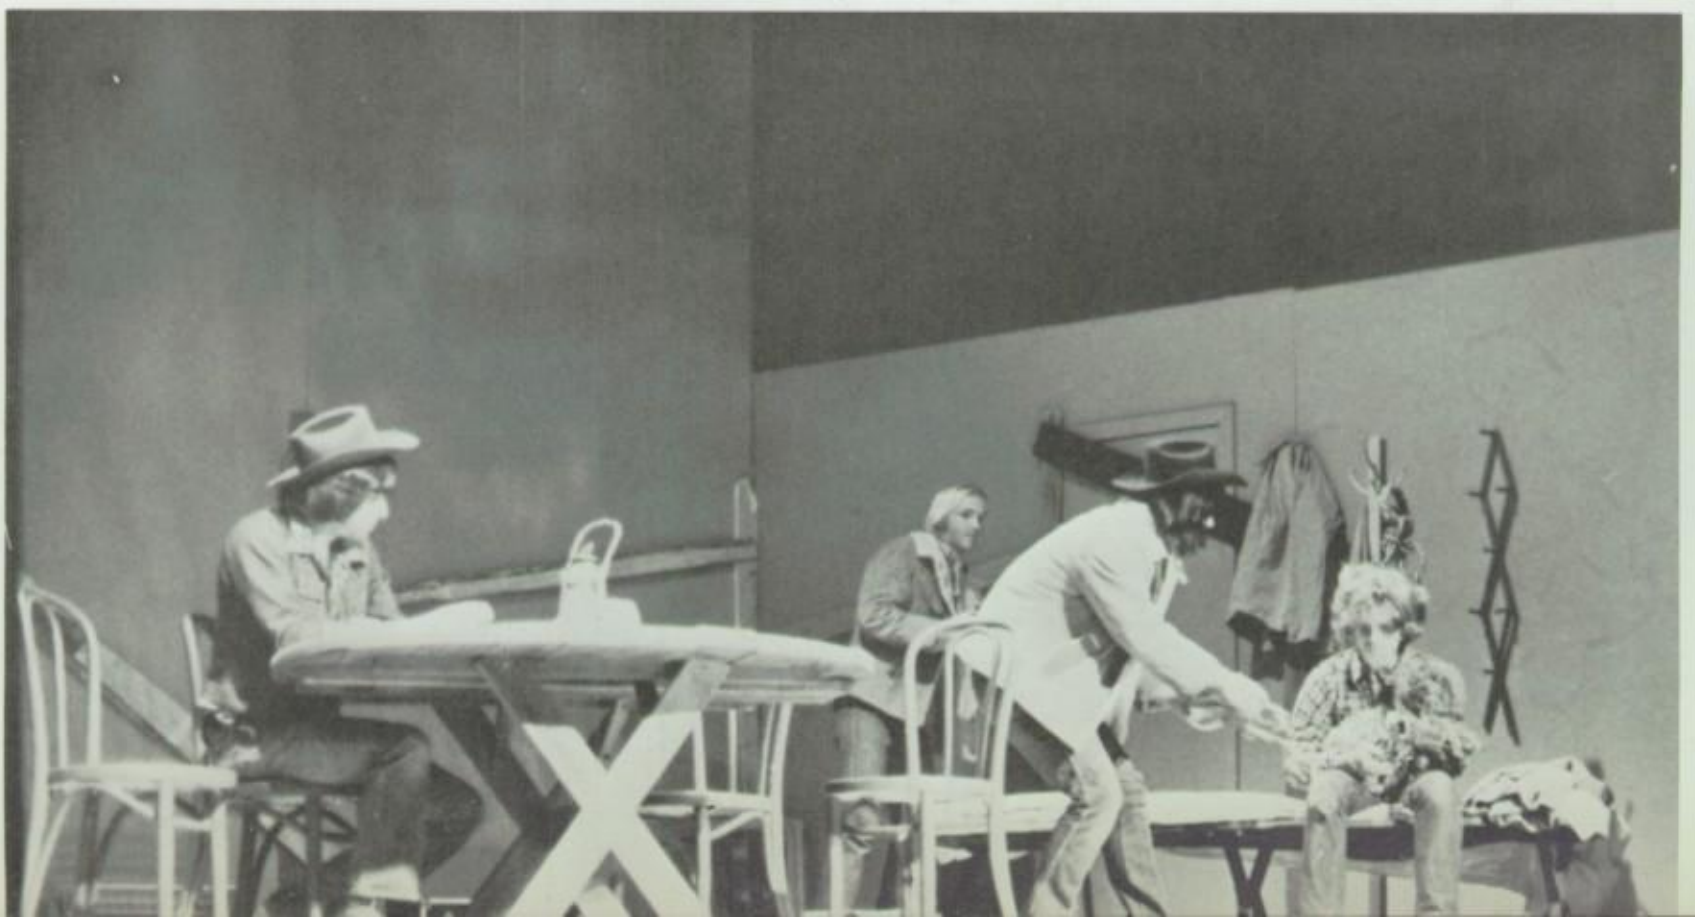

## Drama Club

John Steinbeck's "Of Mice and Men" was Valley's Drama Club fall production. Under the direction of Ms. Sylvia Lee, the thespians presented the musical "Godspell" in the spring.

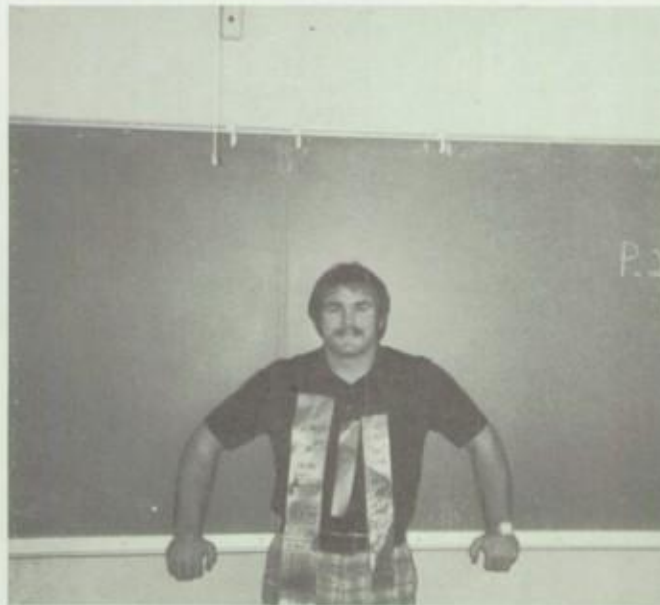

Drama Club's main objective was to get students interested in the theater, and to enjoy it at the same time.

Officers were President Daryl Autor, Vice-president, Debbie Hurst, and Secretary, Mary Wojtanowski.

# Girls' Football

The Girls' Football Club, one of the largest clubs on Valley's campus, sold ribbons and programs at games during the 1975 football season. Coach Ron Roper acted as advisor. To conclude football season, the club helped decorate the cafeteria for the annual Football Banquet.

## "S" Club

The Soroptimist Club, or "S" Club, carried on its tradition of service to the school and community.

In addition to serving as hostesses for all on campus banquets, the members donated time and money to cancer research, the Heart Association, Fairview Hospital, and the Girls Club.

They had candy sales to raise money in order to give a one hundred dollar scholarship to a deserving girl. They also used profits to help send girls to camp.

Their annual convention was held at Warner Hot Springs in March.

Advisors were Mrs. Katheryne Taylor and Mrs. Vivian Ward.

## Mecha

Mecha worked diligently all year to promote better relations between the Mexican Americans and other races on campus. During Cinco de Mayo week they sponsored an assembly to educate the Falcons (about their heritage.)

The increased their treasury by sponsoring car washes and dances.

Issa Lopez led the club as president. She was assisted by Mike Nolasco. Mr. Manny Espinoza was advisor.

# Black Student Union

Under the competent leadership of Linda Young, president, the Black Student Union completed a very successful year.

They sponsored a Black Culture Week which included a dance and assembly. Both events were well received by the student body. Debbie Russell and Clinton Harris, both active members, reigned as king and queen of the club. Shawnette Jones brought honor to Valley when she took second place in the city wide Miss Black Culture pageant.

In addition to holding two dances, the B.S.U. members held a picnic and donated Christmas baskets to needy families. With the proceeds, the club was able to make three scholarships available to deserving students. The club advisors were Ms. Judy Sampson and Mr. Oliver Lucas.

# Headaches, Heartbreaks, and Ulcers!

## Talon Staff 1976

- Talon staff:
1. Tom Reece, editor-in-chief,
  2. Sherri Howerton, senior editor
  3. Aneatra Jones, club editor,

## Art Club

President Wanda Durand led the Art Club through many successful ventures this year.

Probably the most important event of the year was the first annual Christmas Art Sale. Individual students and class art projects were offered to Valley's students and faculty at this extremely successful sale.

From the money made from this sale and the sale of buttons, art scholarships were given to the Art Center College of Design. Wanda Durand and Elaine Hardcastle were the recipients of the awards this year.

The members attended various art shows and went on field trips. Advisors were Mrs. Sheryl Fipp and Mr. Bernie Hawn.

**ART CLUB:** T. Carver, C. Dimas, W. Durand, E. Hardcastle, J. Hess, C. Kennell, A. Petherbridge, K. Smith, S. Smith, J. Walke, Advisors: Mrs. S. Fipp, Mr. B. Hawn

Between the time that our parents took us to our first kindergarten class, to the day we changed our tassels from the left to the right side, teachers have always been considered the antagonists. Looking back, however, we are now aware that those men and women in front of the classrooms were concerned for our well being. Through the most most adverse conditions, from squadrons of paper airplanes to ordinary classes of freshmen, they kept their cool. Usually! When they didn't, it was our fault. Usually! In addition to the teachers, a staff of administrators also worked for us. They ran the "madhouse" for us with a system that worked fine. Usually!

Now, as graduating seniors, we offer our thanks to the staff for twelve great years.

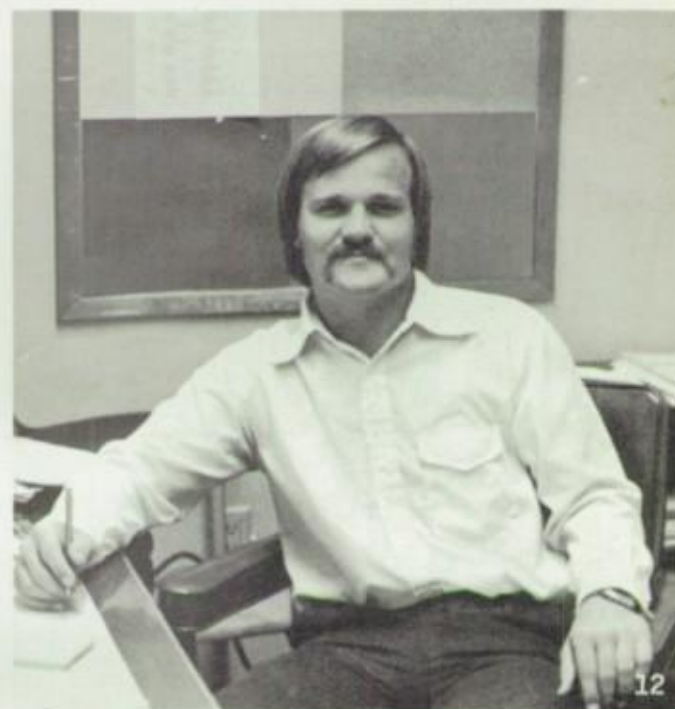

1. Mr. John "smiley" Daywalt, principal and his secretary, Gin Corsello.
2. Mr. Ivan "sugar bear" McKinney, Assistant Principal Student Services/Curriculum, and his secretary, Lou Phillips.
3. Mr. Fredrick "nose" Malais, Assistant Principal, Student Services/Curriculum, and his secretary, Catherine Lenz.
4. Mr. Gene "let's make a deal" Kaus, Supervisor School Business Affairs, and his secretary, Carmen Sparrow.
5. Mr. Howard "country boy" Booker, Director of Student Activities, and his secretary, Lois Miner.
6. Mr. Paul "dial-a-prayer" Huston, Assistant Principal, Pupil/Personnel/Curriculum, and his secretaries, Mary Trembly and Dorothy Murry.

## Counselors

- Assistant Principal
- 7. Mr. Johnny Williams - Senior Counselor
  - 8. Mrs. Bev Hill - Pb - Z
  - 9. Mr. Craig Busching - Gf - Pa
  - 10. Mr. Arnold Diaz - A - Ge
  - 11. Give it up Huston, there's only one "nose"
  - 12. Mr. Lewis Bratcher - ESL
- Mrs. Kathryn Jordan - Senior Counselor

  3. Girls Student Relations-Sharon Johnson
  4. Boys' Student Relations-Rick Crandall
  5. Secretary Treasurer-Annette Barnes

FRISBEE

After a few months of adjustment, the Freshman Class found its niche at Valley and settled in to the routine of classes and extra curricular activities.

They elected spirited class officers who led them in raising money for the class. They sponsored Rec nights and took part in Spirit Week events.

They developed pride in their class and cheered loudly at all Pep assemblies.

With this kind of enthusiasm, the Class of 1979 should prove to be one of the best classes ever to attend Valley High School.

Judy Strong  
President

During their first year as upperclassmen, the sophomores worked hard to promote enthusiasm at Valley. President Judy Strong and her officers Kimberly Law, vice-president, Nina Perez, secretary-treasurer, and Carla Mack and Mike Aguilar, girl and boy student relations, worked hard to make the sophomores one of the best classes on campus.

The sophomores participated in many activities such as sports, band, and pep squad. Sponsoring rec-nights, taking part in Spirit Week by dressing as hillbillies, and generally being good Falcons, kept the sophomores going.

Marya Adame  
President

The Junior Class was led by spirited officers. Marya Adame, president, was assisted by Mark Fiduccia, vice president, Mary Hermann, secretary-treasurer, Gloria Urias, girl student relations, and V.J. Lovero, boy student relations.

In order to follow tradition, the juniors sponsored Rec nights and sold '77 buttons to raise money for the Junior-Senior prom.

The prom was held at the Costa Mesa Golf and Country Club on May 28. Couples danced in a romantic setting to the music of a popular band.

The juniors, after three years of impatient waiting, have fulfilled their destiny. They are Seniors at last.

# Seniors

Our own d.j., Coconut Watson.

When the seniors arrived on campus as freshmen, they were typically shy and felt out of place. However, they maintained their "cool" in typical Falcon style. They elected officers and began their four year journey on the road to higher education.

They soon found out that their first duty was to raise money to support their class. Through their officers, Student Council, and determination, that goal was completed. By their junior year enough money had been raised to sponsor a fantastic Junior-Senior Prom, which was held at the Disneyland Hotel. Such projects as Rec nights, candy sales and button sales helped make the year enjoyable.

As seniors, they bent their efforts toward preparing for goals after high school. They investigated colleges, study programs, various job opportunities, and worried about finals and grades. Plans came closer to reality when the time came to order senior pictures, graduation announcements, and caps and gowns.

The senior year was a time for keeping traditions. The senior class fought to keep such traditions as the senior patio, senior ditch day, and leaving assemblies before underclassmen.

The senior year, above all, was a period of awareness. It was a time to face reality. Walking down the aisle to receive their diplomas, the seniors knew that 12 years of required education were behind them, and finally recognized that the future was strictly their own choice.

Robin: "Hey, look at that foxy guy!"  
 Angel: "Yeah, he's all right!"  
 Jann: "He doesn't look that hot to me."  
 June: "Yuck."

Our class advisor, a bearded Gary Satrappe.

# The Class of 1976

Our favorite time of the day—lunch time!

"Okay, everybody smile for the camera."

The Senior Class officers were: Rachel Ramirez, president; Lee Ann Pina, vice-president; Wanda Durand, secretary-treasurer; Tiny Lynch, boys' student relations; and Aneatra Jones, girls' student relations.

# Now We've Seen Everything

I have often wondered just how many hours I've spent busting my school-worn brains working on yearbook material. Long ago I lost count of all the late night staff meetings we held just prior to deadlines. I always thought of those nights as punishment; however, I soon realized that every other staff member was in the same boat. Now that the book is completed and I will have no more deadlines to meet, I find myself looking back at the year with appreciation to the staff.

SHERRI HOWERTON, senior editor, was the only other three year veteran on the staff. She knew all the headaches and heartaches it takes to put a book together. Sherri worked hard and helped me a lot as associate editor. Long may her hunger pangs strike.

Sports editor, PAM GNESDA, had the largest and toughest section. More than once she sighed in frustration because something wasn't right. Thanks, Pam, for holding it together.

Much of the artistic flair in the book was done by Faculty Editor, KATHY MULCAHY. Thanks go to her for burning the midnight oil when we needed it most. This year's division pages were designed by IGNACIO ACOSTA who did a magnificent job and was a real lifesaver.

LOUIS PADILLA, freshman editor, really had to work against the impossible. He had the largest class section and his work was interrupted because someone broke into his locker, stole the pictures, and flushed them down a toilet. But it takes more than that to keep a good editor down.

CINDY HOLSTON seemingly had little trouble with her sophomore section, even though we disagreed in just about everything. She did her job in grand fashion.

JANET MULCAHY wasted little time in completing her junior section which left her free to help other staff members with their chores. She always encouraged me to keep going on those days when nothing seemed to go right.

JANN BARBOUR, activities editor, came into the class knowing almost nothing about producing a yearbook. She was eager to learn, though, and listened to everything I had to say. Thank you, Jann, for patiently putting up with me all year.

ANEATRA JONES AND SUE FADGEN had a tough job with the club section. In doing this section they had to arrange for club pictures and get the names of every member. They really deserve a round of applause.

DONNA STEWLOW, BRIAN POLLACK, AND NANCY MELENDEZ didn't have long titles, but the jobs they did were instrumental in producing this book. They made my job a little easier by helping out here and there with the busy work.

DALE PRINCE, head photographer first semester, was in semi control of the staff photographers who were semi uncontrollable. RICHARD KING, BRETT PICKETT, GARY BRADSHAW, DAN BOTT all contributed the many photographs that make up this book. V.J. LOVERO deserves a special pat on the back for the many extra hours he spent in the dark room.

Our business manager, CARRIE DAVIS, had one of the most responsible assignments on the staff. In addition to selling books, collecting and counting money, keeping accurate records, Carrie also had the job of putting the ad section together.

ROBIN CONCAN began her job as academic editor with little enthusiasm. All it took, though, was a little sweet talking to convince her that she was just right for the job.

MRS. ELAINE STUCKEY isn't really a staff member, but she is the one who refereed the whole mess. She was our beloved advisor; you know, the one who told us what we were doing wrong.

In addition there was MR. JOHN THOMAS, the yearbook representative. His help was invaluable in putting the book together.

MR. RON STOKER did more than his share for us. Since he wasn't obligated to do anything at all for the book, I really want him to know how sincerely his help was appreciated.

After narrowing the cover design down to three choices, we took a look at MR. BERNIE HAWN's sketch; and it was love at first sight.

So, it's all over. Thanks, staff. And thank you all Valley Falcons for being interested in the annual and for purchasing the finished product. Eight months of long, hard but rewarding work is now in your hands depicted as a year of memories. We hope you like it.

Have a nice future,

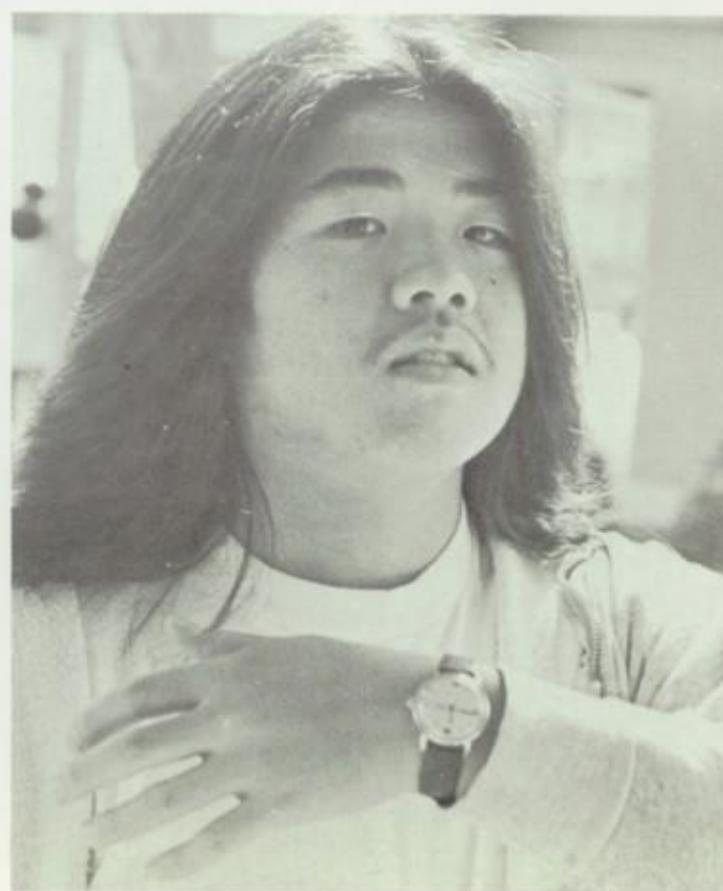

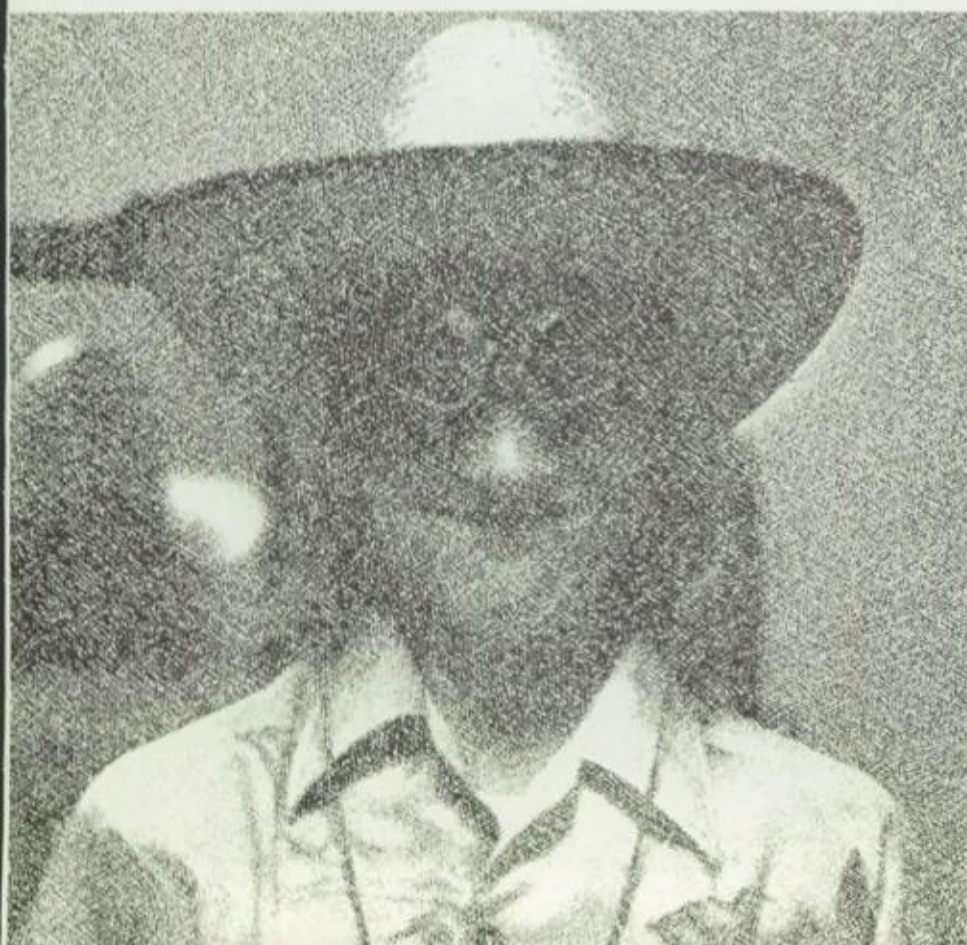

*Tom Reece*

Cheri,  
I didn't  
really get to  
know you too well  
this year but as much  
as I do know you you're  
a real nice person. It's been  
nice having you in one of my classes.  
Have a nice summer,  
Yvonne  
Loreny

Don't  
forget  
to  
see  
you  
over  
the  
summer  
to  
see  
you  
over  
the  
summer  
to  
see  
you  
over  
the  
summer  
to  
see  
you  
over  
the  
summer

Cheri, nice knowing  
you! I never really  
knew that close friends  
but at least we'll  
have a fun summer & stay  
out of trouble.  
Friends always,  
Fatty Baul

To Cheri,  
It's been nice knowing  
you this past month hope  
to see you next year. You  
a really nice person.  
Love Susan  
& Ronald

## THE FIRST 200 YEARS

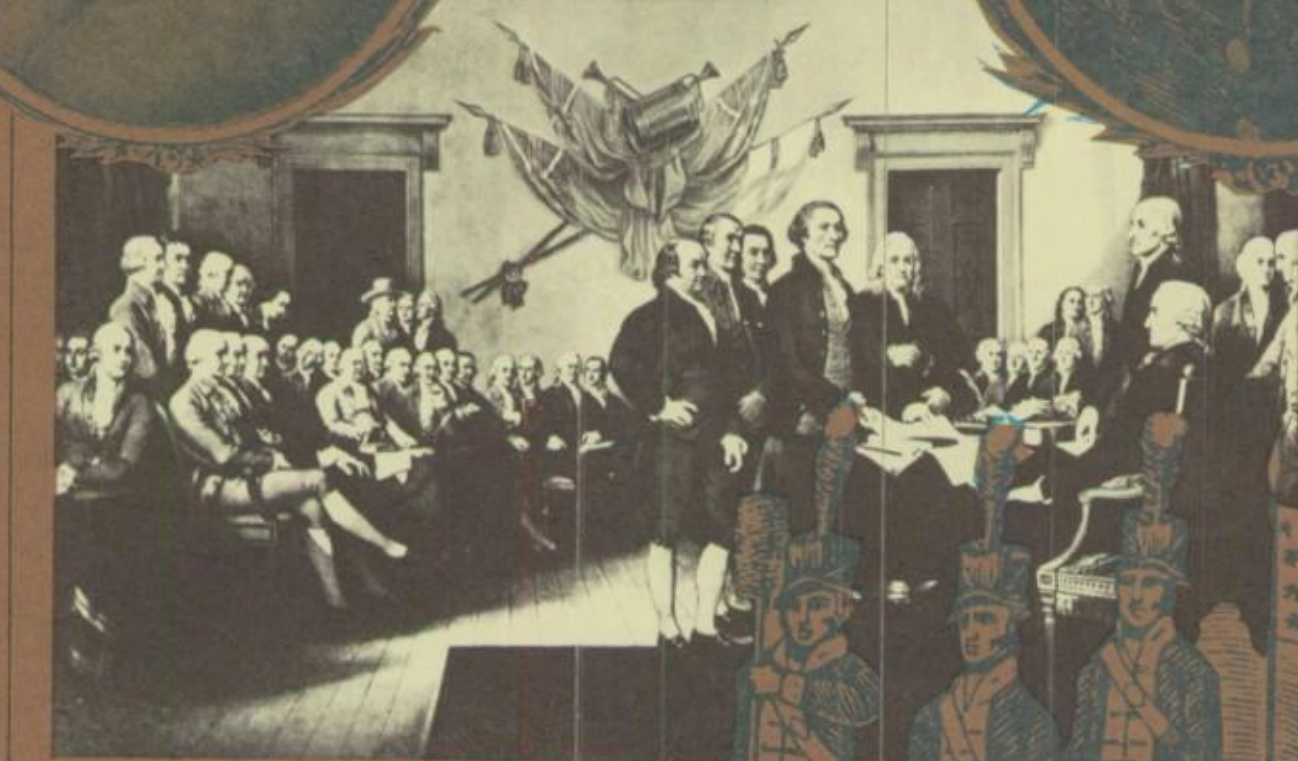

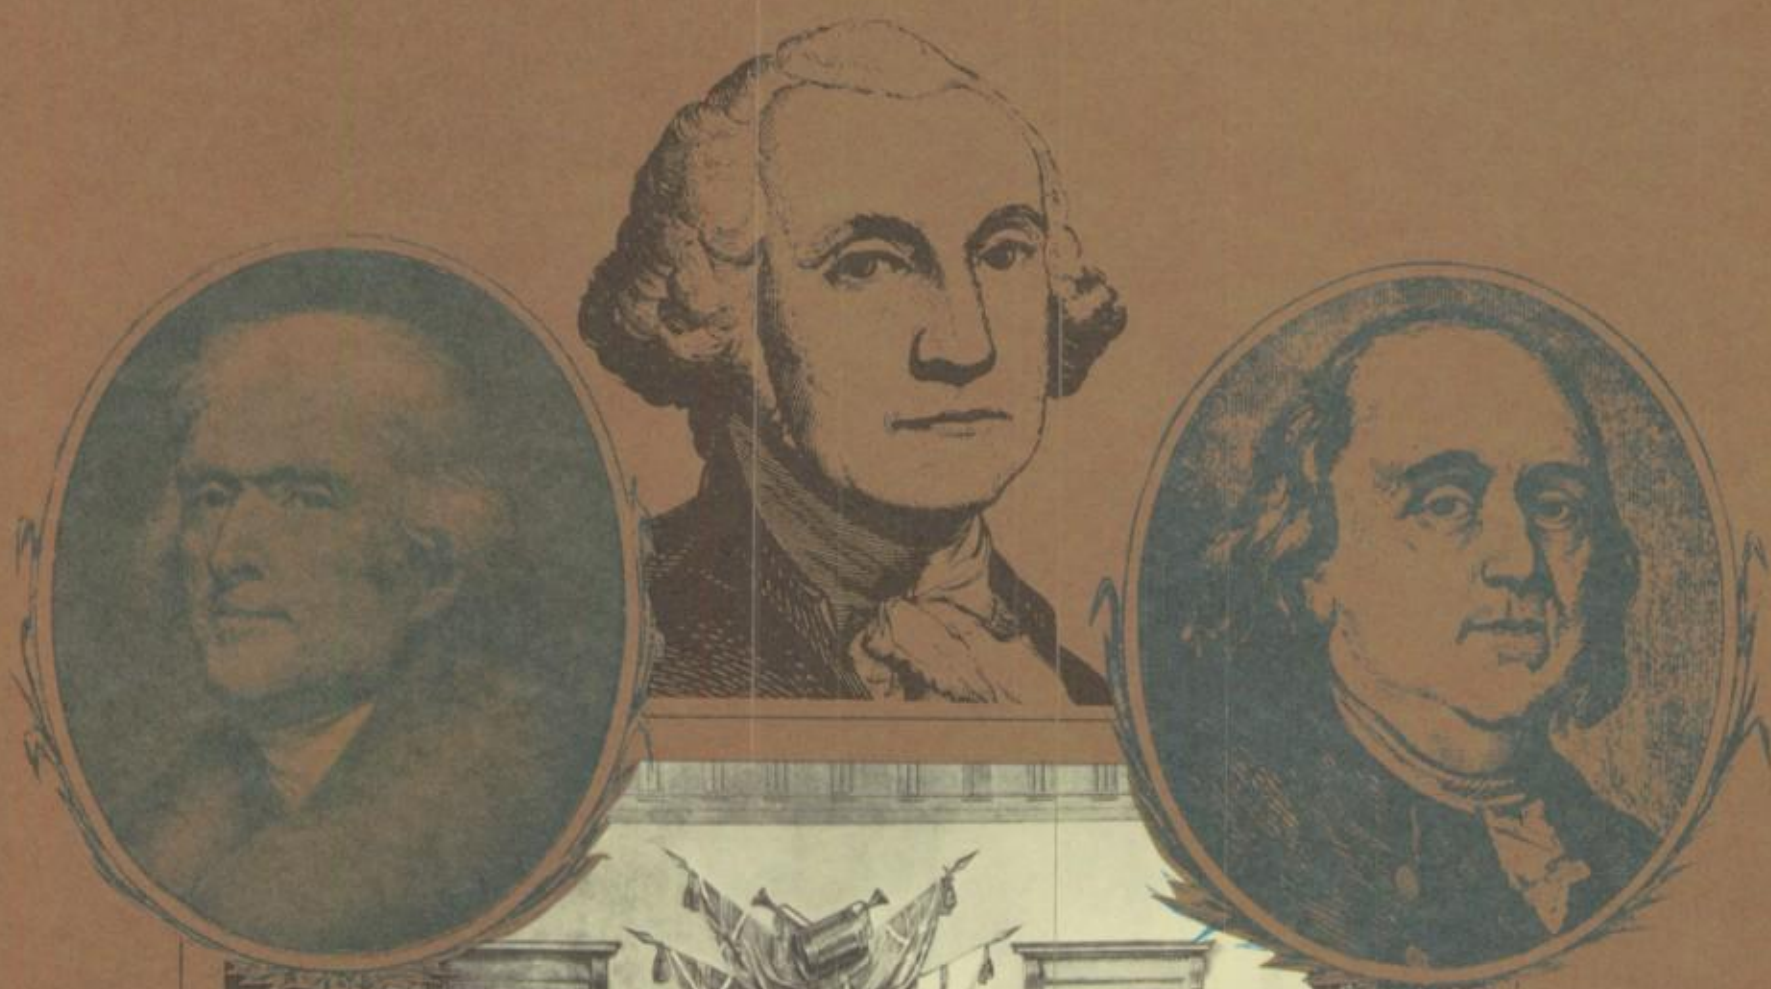

A knowledge of American history is an invitation to experience the accomplishment, drama, tragedy and hope of an infant nation struggling to grow up. Sturdy, determined pioneers hacked away at the edges of a raw continent and, with blunders and achievements alike, modeled a country with a spirited nature and a united commitment to individual liberty for every one of its citizens. Americans, great and not so great, have given us a heritage to carry on and improve upon. Farmers and soldiers, industrialists and merchants, dreamers and leaders, are all there in two centuries of progress.

But the maturing isn't finished. You'll find the boundaries of growth as endless today as when our forefathers first envisioned them. You can seek out your own destiny with the wisdom and judgement which comes with re-creation of the past. Your knowledge, dreams and industry will carry on through many more centuries of living history.

"Everything that is right or reasonable pleads for separation. The blood of the slain, the weeping voice of nature cries, 'tis time to part'." — *Thomas Paine*.

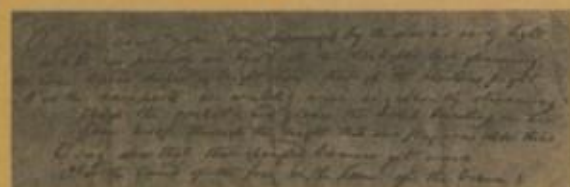

# CHAPTERS OF AMERICAN HISTORY

The Stamp Act of 1765 was an attempt by England to tax items that were wholly American. The colonists reacted in seething resentment which erupted into angry protestations. The first blood of the American Revolution was spilled during one such incident at Boston in 1770. Several Americans lost their lives over a snowball thrown at a British sentry.

In the fight to achieve commerce equality, the United States found itself in a naval war over shipping lanes. Fort McHenry was heroically held during a British naval bombardment, and the stars and stripes still flew after a night of hard fighting. The next morning Francis Scott Key penned the immortal words of what would become the national anthem.

Settlers had to have permanent access to the new lands, so canals and bridges were built to carry stages and wagon trains loaded with machinery destined for settlements in the West. The pioneers foresaw great wealth in the cheap acreage that was available.

Frontiersmen cleared the wilderness, built settlements and drove back the Indians. The Pony Express and the telegraph became primary means of communication.

Agriculture was the wealth of the country. American inventions of the time were often related to working the soil. The McCormick Reaper, mowing machines, textile looms and the cotton gin were instrumental in the settling of new frontiers.

In 1848, James Marshall found gold in the race of a sawmill he was building for John Sutter at Coloma, California. The lust to "get rich quick" was the force behind this biggest and gaudiest gold rush ever.

While "gold rush fever" gripped the country, states were increasingly more divided on the slavery issue. Civil war broke out in the East. This "Brothers War" was bitterly fought and, though the scars remain even today, slavery was abolished.

Cities grew at an alarming pace; often without regard to the limits of safety. The great Chicago fire of 1871 burned the bustling cattle market empire beyond recognition. But the pioneer spirit was not broken. Chicagoans began rebuilding and preparations were underway to celebrate the 100th birthday of the country.

The "Iron Horse," carrying homesteaders, greatly helped settlement of the new country. The first transcontinental railroad connected the country at Promontory Summit, Utah, on May 10, 1869.

Transportation was setting the pattern for the American way of life. The country became a mobile society with electric trolleys, automobiles, farm machinery, and bicycles, all the rage. Along with the accessibility of travel came a new era of nationalism.

A World War called upon the nation's young men to unite and fight. After the war in Europe, the nation pulled itself together and industry flourished once again. A carefree America buried war memories in the new moving pictures, telephones, light bulbs, electric generators, stock market ticker tape machines, phonographs and a wealth of inventions from the fertile minds of its young inventors. Baseball became the national sport and prohibition was law.

Black Thursday, October 24, 1929, saw the American stock market crash to the lowest level in history. Panic set in as the unemployment level skyrocketed. The country was in its worst economic crisis. Slowly, but surely, the wounds of the "crash," the "dust bowl," and poverty healed.

The steel industry geared up for the revival while rumors were whispered in the Roosevelt administration of another impending war. The nation's leaders scoffed; until December 7, 1941 ... Pearl Harbor!

Industrial production reached a peak during the war years. Upon their return from four years of battle, the veterans forged ahead with an eye on a "better life for everyone." Several moderate recessions in the 50's and 60's reminded cautious citizens of past decades.

Huge strides were being taken in the scientific field. Television became a part of every family's life. National events were household topics — while they happened — thanks to the new medium. Individuals and groups were seen "on the tube" as they advocated new social reform, or justice, or special causes of their own. TV gave individuals and political systems power greater than ever before. Audio-visual journalism had made its impact.

Nearly 100 years of struggling for civil liberties were realized when President Lyndon Baines Johnson signed the Civil Rights Act of 1964 into law. The Act outlawed segregation in any form.

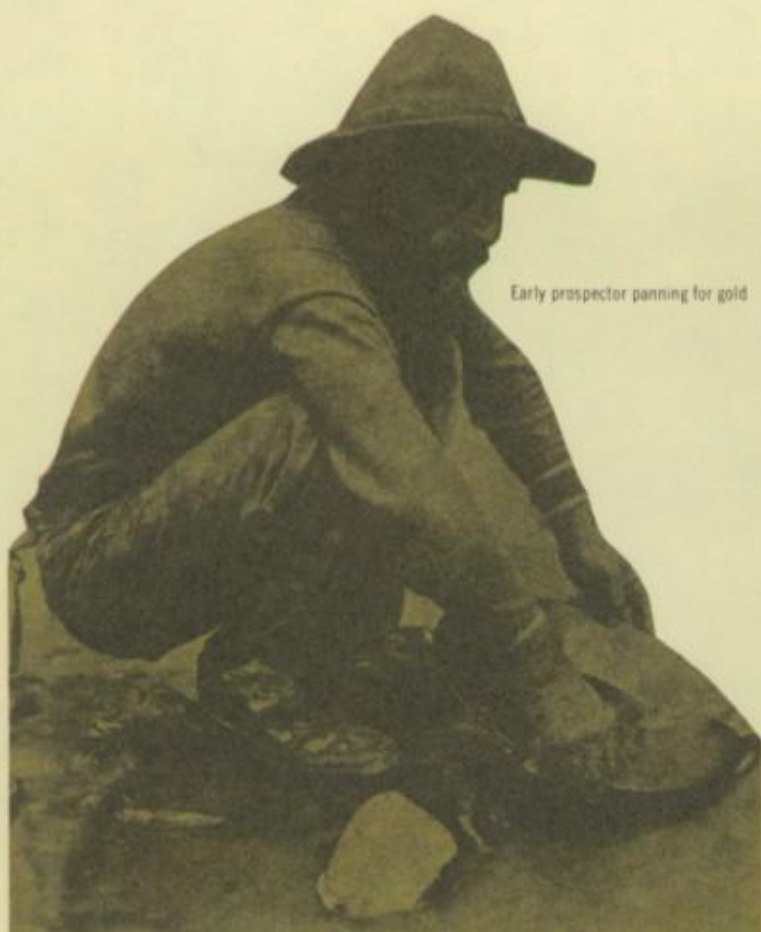

The seventies shed light on a new trouble for the nation as it approached its 200th birthday. The world's energy sources and natural resources were being used up faster than they could be replenished. Americans once again waded into a new frontier. The "energy crisis" and "ecology" were prominent words in the language. Ways to save nature from the neglect of mankind and ways of preserving precious fuel without damaging that balance of nature were the objectives of Americans across the country.

Earth's crises spurred Americans into further pioneering. This time ... outer space. American astronauts were the first on the surface of the moon and the U.S. was first to build a "sky-lab" for more scientific study.

American is still learning and growing after a mere 200-year infancy. The original determination of our forefathers was told again in the words of Neil Armstrong as he made the first step on the moon ... "a small step for man, but a giant step for mankind."

 VILLAGES, SCHOOLS and CHURCHES.

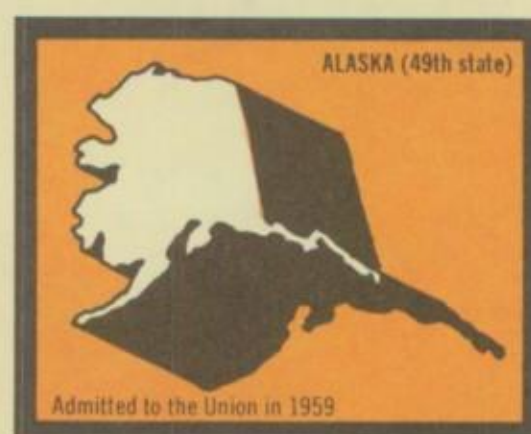

◁ Daniel Boone leads pioneers through the Cumberland Gap in this painting by George Bingham

## THE CHANGING NATION

Ownership of land had been just a dream to most of the colonists from feudal England. With the great expanse of cheap land opening up in the West, the dream became reality.

The Louisiana Purchase of 1803 opened the first sizable frontier in the Midwest, but the nation was not ready for it yet. It took a growing market in the East, where land was getting high-priced and scarce, and development of good transportation, to really start the frontier movement.

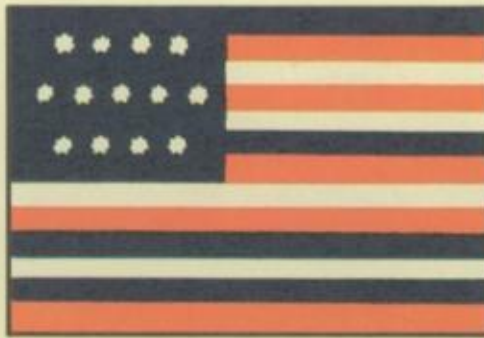

The Gold Rush caused hordes of settlers to take various routes to the Pacific Coast and its yellow riches. The railroads brought farmers and ranchers, along with the miners, who decided to stop all along the routes and

build their homes. Railroads were instrumental in the quick civilization of the West, bringing people in numbers so large that the resentful Indians were finally pushed back into unwanted and infertile areas.

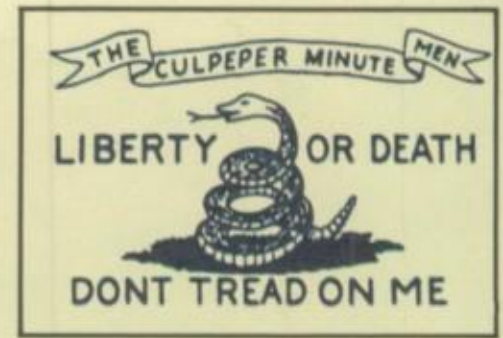

America became a haven for immigrants from every nation as freedom beckoned them to the teeming cities of the East, the plains, and the rich west coast farmlands.

Sick of the Civil War and with their own lands divided up and lost, many Southerners set out to "begin again" in the virgin territories. "Westering" soon became the national tradition as North and South moved together toward a new life. Americanism was advanced socially, by the hard-working, bare-fisted types who settled the frontiers.

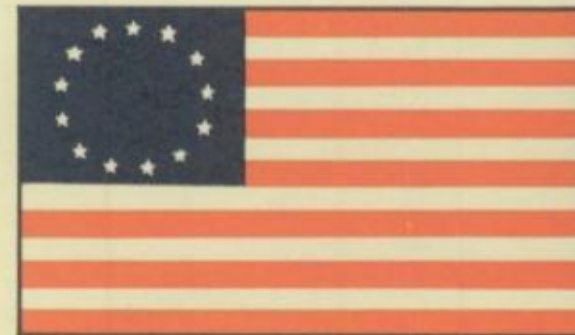

BENJAMIN FRANKLIN FLAG  
ALSO CALLED "SERAPIS" FLAG. GENERALLY ACCEPTED AS ORIGINATED BY BENJAMIN FRANKLIN AT COURT OF LOUIS XVI.

CULPEPER FLAG — 1775  
ONE OF THE EARLY RATTLESNAKE FLAGS CARRIED BY THE MINUTE MEN

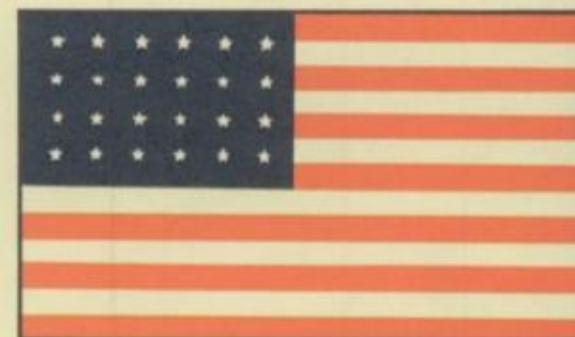

BENNINGTON FLAG — 1777  
FLAG OF VICTORY OF THE GREEN MOUNTAIN BOYS.

USED FROM MAY 1, 1863 TO END OF WAR, 1865. THE BATTLE FLAG WAS SQUARE.

FLAG OF THE SPANISH AMERICAN WAR — 1898  
THE EMBLEM OF LIBERTY THAT BROUGHT FREEDOM TO CUBA.

of Freedom \* \* \* \* \*

Without realizing it, England instilled in the colonists the individual purpose and ingenuity that necessity breeds. With trade goods cut to a minimum, determined young leaders of the time set out to find ways of surviving without support from the Mother Country.

Agricultural methods and machines and labor saving devices were designed by our forefathers. As frontiers opened, Yankee genius had to conquer natural barriers in the wild new country, so suspension bridges were invented and methods of transportation were perfected for the purpose of opening the untamed areas. Later, they sought to section off the land with the revolutionary and controversial invention — barbed wire.

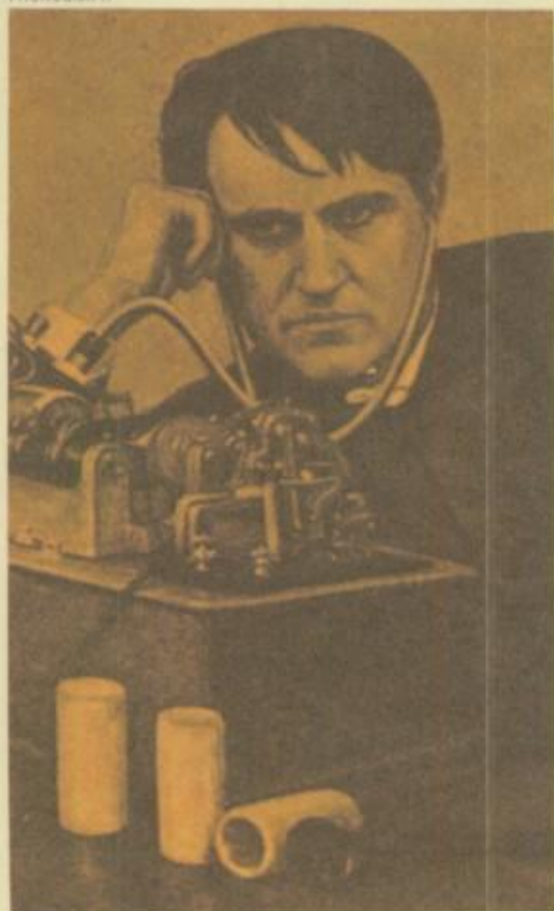

Cooper's 1-horsepower **Tom Thumb** train in 1830 and later, automobiles like the first Model T, and the 4-horsepower airplane; became American modes of travel from city to city and coast to coast.

Americans knew that the fertile lands of this nation would produce unequalled harvests if machines were designed to take over for man. They knew also that trade routes were difficult to travel and manufacturing would have to be done close to home. The cotton gin, textile looms, drill presses and a reaper which could cut six times as much grain as a hand scythe were some of the tools invented.

DRILL PRESS

PHONOGRAPH

Protection for themselves and for their young country prodded inventors like Eli Whitney to perfect firearms and others to work on plans for the first submarine. Young inventors like Alexander Graham Bell and Thomas Edison (called the nation's most valuable citizen) visualized machines that would light the country and open up communication with those in the far corners of the nation. The telephone, telegraph, phonograph and the first light bulb were discovered in the late 1800's and early twentieth century. This American way of doing for oneself inspired many to become inventors in their own right. Some sought to save labor and mass-produce for profit while others envisioned not only riches, but excitement and adventure as they discovered ways to defy nature.

Throughout the past 200 years the American mind has been unleashed to take whatever paths necessary to fulfill the needs. In the last half-century, the pace of discovery has been overwhelming and inventions for the taming of the universe lie in the grasp of America while the habit of "finding a way" is ingrained in its people. The seeds of industrial America were sown by these inventors resulting in today's mechanized society.

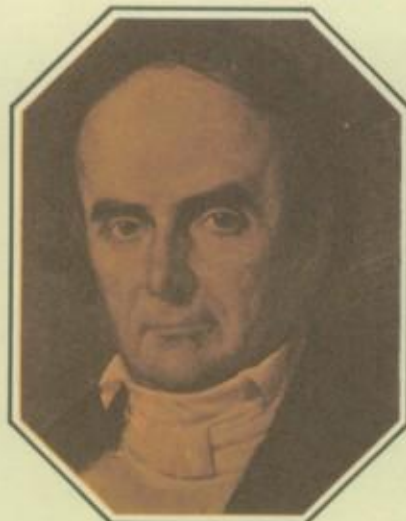

# THEY MADE THEIR MARK

## Men and women who helped shape America's history

**THOMAS PAINE**, a bankrupt Quaker corsetmaker, sometime teacher, preacher and grocer wrote the most brilliant pamphlet of the American Revolution. His words in *Common Sense* reflected longings and aspirations that have remained part of American culture to this day.

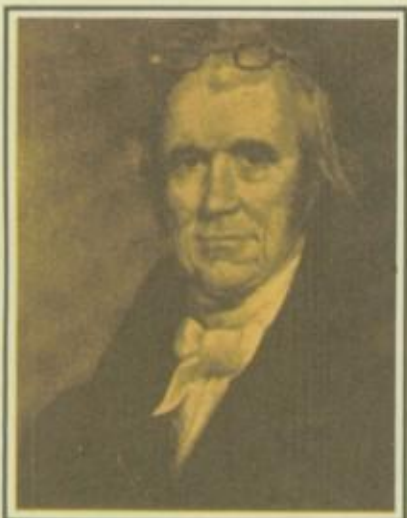

**DANIEL WEBSTER** chose law as a career and went on to become well-known in the courts and in politics. He was twice Secretary of State with an eye always to the Presidency which eluded him.

**DOROTHEA DIX** worked her entire adult life for reform of the existing penal and mental institutions in the mid-1800's. The first state hospital in the nation at Trenton, New Jersey was a direct result of her efforts.

The creator of the Cherokee alphabet, **SEQUOYAH**, was an artist, writer and silversmith. He used a simple 1821 English primer to compose the characters. The famous redwood trees of the Pacific coast bear his name.

Chief Justice **JOHN MARSHALL** established fundamental principles of American constitutional law. He is noted for his precedential declaration of a Congressional act as unconstitutional. He served through five administrations, from 1801-1835.

Born a slave in Maryland, **FREDERICK DOUGLASS** taught himself to read and write secretly and, at 21, escaped to freedom. He was an ardent abolitionist campaigning successfully for Negro suffrage and civil rights.

"The New Colossus," a sonnet composed by **EMMA LAZARUS** in 1883 is inscribed on a bronze tablet at the base of the Statue of Liberty. She organized relief for Jews and helped fugitives from the Czar's ghettos to establish homes in America.

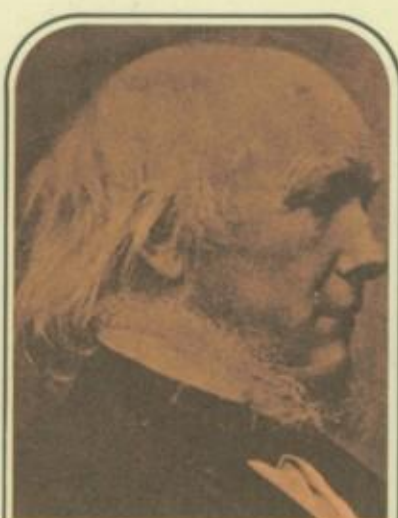

**AMELIA JENKS BLOOMER**, best known for a mode of dress she adopted during her campaign for equal rights for women. Though ridiculed until she gave up the costume, the term "bloomer" came to symbolize woman's bid for individual freedom.

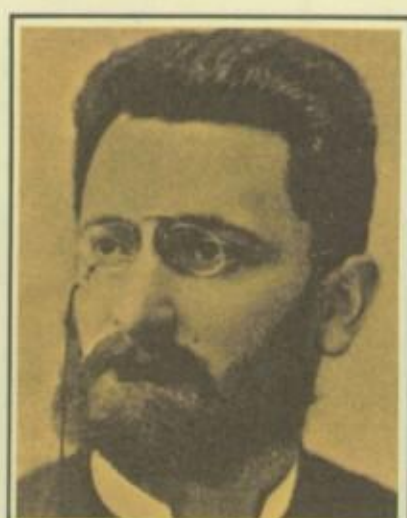

**ABRAHAM LINCOLN** epitomized the American dream of a humble young man ascending to the highest office of the land. He was superbly skilled at analyzing complex issues and translating them into meaningful words for the public. He was devoted to the preservation of the Union.

**HARRIET BEECHER STOWE** wrote *Uncle Tom's Cabin* in an effort to make the whole nation realize the inhumanity of slavery. Her book resulted in one of the most popular and controversial plays on the American stage. The Civil War was kindled by this work.

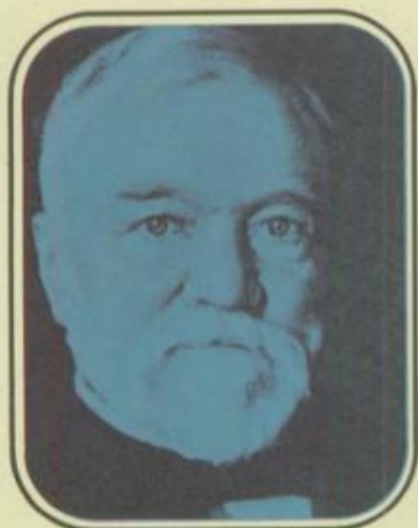

**HORACE GREELEY'S** admonition to "Go West young man" was a rallying cry of the pioneers of America. He was founder and editor of the *New York Tribune*. He was best known for his philosophy of social reform and his unsuccessful bid for the Presidency in 1872.

**JOSEPH PULITZER** was the first journalist to reach a truly massive audience. His *New York World* newspaper was the symbol of "yellow journalism" with its sensationalism aimed at the common man.

**ANDREW CARNEGIE** was a giant in the railroad and steel industries. He believed that it was the duty of a rich man to distribute his wealth during his lifetime. To that end, he established 2800 libraries and many cultural halls throughout America.

A lifetime passion for machinery led **HENRY FORD** to Detroit where, in 1896, he completed his first motor vehicle. The Ford Motor Company manufactured the first "Model T" in 1909.

One of the most elementary symbols of the American way of life was established when **J. EDGAR HOOVER** and his Federal Bureau of Investigation "G-men" set out to clean up the country. His career spanned over 40 years.

The motion-picture industry was revolutionized in America and **DAVID WARK GRIFFITH** became known as the "Father of the film art" and "king of directors" for his part in this revolution. His camera techniques were the pioneering steps of the industry.

Serving an unprecedented four terms as President of the United States, **FRANKLIN DELANO ROOSEVELT** was a popular leader who made extensive use of fireside radio chats to explain his plans and generate enthusiasm to push them through Congress.

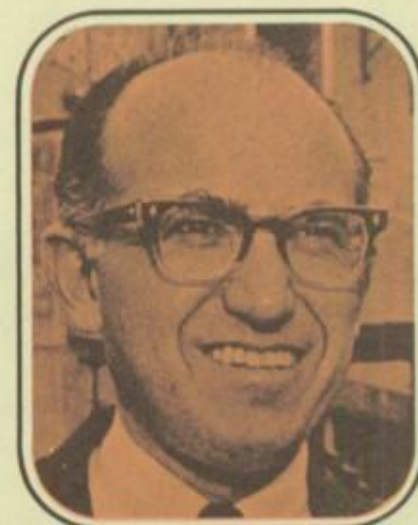

**ROBERT FROST's** poetry was clear, understated, well-metered and told the stories of rural America. He was a four-time winner of the Pulitzer Prize and has been called America's poet laureate.

A plain, homely woman with tremendous appeal to the masses, who was always in the "thick of things" describes **ELEANOR ROOSEVELT** and her lifetime of politicking beside her husband during his four terms.

**THURGOOD MARSHALL** is the first Negro to serve as a justice of the Supreme Court. His law career was aimed primarily at civil rights cases.

The crippling poliomyelitis was conquered by **DR. JONAS SALK** in 1953 after more than 25 years of research. Polio was reduced by 96% in less than ten years. SALK's research continues in California at the Salk Institute.

**MARTIN LUTHER KING** was a leader in the cause of civil rights. He had been a pastor before turning to the cause of segregation. His leadership earned him the Nobel Peace Prize in 1964. He was assassinated by James Earl Ray in 1968.

Lieutenant Colonel **JOHN GLENN** started America's travels to outer space when he became the first American to orbit the earth. He had been an aviator in World War II and a test pilot in peacetime.

**GERALD R. FORD**, the first President to achieve the office without an election. In 1974, through a series of scandalous events, the Nixon administration toppled and FORD reached the position through approval by Congress.

# WORKING FOR THE YANKEE DOLLAR

## A CARD.

THE public at large is respectfully informed that a very large assortment of Cane and Sticks, of every description, may now be obtained at the most reasonable prices, by applying to

N. SYLVESTER,

RELIEF for the DISTRESSED and PAIN for the WOUNDED is found in  
**PERRY DAVIS' VEGETABLE PAIN KILLER.**  
Manufactured by PERRY DAVIS & SON,  
No. 74 HIGH STREET, PROVIDENCE, R. I.

## COTTON.

75 BALPA Cotton just landed from brig Yellow Bird, from New Orleans. For sale by  
DAVID B. RISING,  
No. 35 South Front street.  
April 25-1919

Imagine buying that acre of land you have spotted for \$1.25! Or, even at the higher price of \$10. Those are the prices offered to our founding fathers to encourage settlement of the wilderness areas of this nation.

A stage wasn't the most comfortable way to go, but you could get from city to city for as little as \$3 — at the amazing pace of six miles per hour.

Compare today's wages with a 12-hour day in the early 1800's. A man earned 50¢ a day. Of course his dollar bought a little more than today's. Butter in 1826 was about 5¢ lb. in the Midwest; eggs, 3¢ doz.; corn 6¢ bu., wheat, 25¢ bu.; and a cow could be bought for \$5.

With travel becoming the American tradition, you could choose train, wagon, horseback or the water. A canal ride, with bed and board included, averaged 3 or 4¢ per mile. And when you reached your destination, you could sit down to a 5, or even 10 course meal for 25¢. (Ladies 20¢, in consideration of appetite.)

Farmers in the early 1800's could own the famous McCormick Reaper for a mere \$100. But the Civil War increased prices as the machine became the first item farmers could buy on time payments for the sum of \$1,500.

A good suit of clothes then might cost \$1.95 and ladies waists (blouses) were marketed for 49¢ to \$3.50 with a whole dress pattern priced at 15¢.

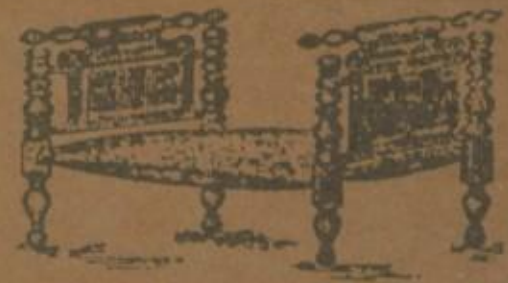

Cookstoves, "quality-satisfaction guaranteed," could cost you \$29.25 at \$4 per month and a dandy heating stove could set you back as much as \$5.73 and up. The first electric refrigerator cost \$900 — which might be enough to make you faint on your 1907 fainting couch that had cost a mere \$7.85.

Your new baby travelled in the height of fashion in a wicker sleeping coach (stroller) for the sum of \$12.04. If you had \$1,500 in 1903 you could show off in one of the first automobiles.

Ah, those were the days. Some of the current prices are reminiscent of those days, but at frontier prices, which were a whole different story. Hardy pioneers had to pay \$2 a pound for sugar, too. And the same for a pound of coffee or pepper. Those items were only 15¢ per pound back in civilized St. Louis. Flour was marked up 100 times for sale to the frontiersmen and during the famous Gold Rush, that precious commodity went for \$400 a barrel.

## FOR NEW YORK.

EVERY accommodation is afforded to passengers with the Mail, which is carried to NEW YORK in REEFERIES, splendid and comfortable, with splendid horses, and careful drivers. The Grand Accommodation Mail, Apply at the Red Office, No. 94 South Third street.  
April 2-19

April 21-19

## Philadelphia Museum,

IN THE UPPER PART OF THE

## ARCADE,

CHESNUT STREET, (ABOVE SIXTH.)

OPEN throughout the day, and ILLUMINATED every evening.

Admission 25 Cents.

This Museum is the oldest and largest establishment in the United States, and contains immense collections of the Animal and Mineral Kingdoms of nature, from all parts of the world. These are all beautifully arranged, so as to enable the visitor to study the objects with the greatest advantage. The collection of implements and ornaments of our aboriginal tribes is very extensive and interesting, and the Cabinet of Antiquities, and Archaeological Curiosities, is not less worthy of attention. In addition to the ordinary attractions of a Museum, there is in this a very large collection of the Portraits of American Statesmen and Warriors of the Revolution, and of the most distinguished scientific men of Europe and America.

The Founder, C. W. Peale, desirous of securing the Museum permanently in this city, obtained an act of Incorporation, by which the stability of the Institution is insured. The act of Incorporation reserves the use of the Museum in perpetuity to the city, and authorizes the Stockholders to appoint annually five trustees, who meet quarterly to regulate the business of the Institution. Nothing can be removed from the Institution under a penalty, and therefore of double the value of the things removed; hence donations may be made with certainty on the part of the donors, that the articles placed in the Museum will always remain for the public good.

## Thomas Gibson, Plumber,
